Lime Down Solar

[You don't often get email from [REDACTED]. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

the proposal to destroy pristine Wiltshire farm and grass land, the Fosse Way, and other ancient tracks and

quite country lanes with millions of 14 foot poor quality solar panels made in China, costs paid by taxpayers and hiked

bills, profits going offshore to hedge funds who have figured out how to asset strip both our country and our countryside is an act of unprecedented vandalism and treachery.

We will not forget.
