Good afternoon,

We are writing to provide some background information on Lincolnshire County Council's planning committee cycle and targeted date for our Meridian Local Impact Report (LIR) to be taken to that committee.

The Council is in the process of preparing its Relevant Representation for submission by the 2nd July deadline. Alongside this, we are preparing our LIR and canvassing consultation comments from various consultees. Due to summer recess, there is no scheduled August planning committee and therefore we intend to target the next available committee date, which is Monday 7th September.

We are mindful that, whilst no fixed dates for the Examination have yet been published, PINS and the ExA will no doubt be looking ahead at scheduling for later in the year. In light of that, we wanted to highlight our intended committee date, following which we will be in a position to submit our LIR into the Examination.

We trust this information is helpful.

Kind regards

[REDACTED]
