# 1 Land and Rights Negotiations Tracker Introduction

## 1.1 Introduction

- 1.1.1 This Land and Rights Negotiations Tracker ("LRT") is submitted by Green Hill Solar Farm Limited ("the Applicant") in the application for a development consent order ("DCO") under the Planning Act 2008 for the Green Hill Solar Farm (the "Scheme").
- 1.1.2 The LRT provides the details of each person with a landholding within the Order Limits and explains the status of the negotiations with these affected persons. It will be updated during the Examination as negotiations with affected persons progresses.
- 1.1.3 In addition to landowners, the LRT sets out the land interests held by statutory undertakers in a separate table, enabling the status of negotiations with these statutory undertakers to be set out, including progress made to agree the form of protective provisions to be included in the DCO.

## 1.2 Part 1 – Category 1 Interests (Owners, Occupiers, Lessees or Tenants)

- 1.2.1 Part 1 of the LRT includes all category 1 owners identified within the Book of Reference **[EN010170/APP/GH4.3]** where the acquisition of freehold land, permanent rights and temporary possession is required and the land owner is able to provide proof of title.
- 1.2.2 Where a land interest is identified within the Book of Reference **[EN010170/APP/GH4.3]** as having an interest in respect of the subsoil beneath a public adopted highway, this interest has not been listed in this LRT as no voluntary property rights are being sought. These plots are included in respect of the relevant highways authority for completion, and engagement with the relevant highways authorities is ongoing as part of the DCO process.
- 1.2.3 Category 1 occupiers, lessees and tenants have also been included within the LRT. Typically, negotiations are ongoing with the freehold owner of the land for the rights required for the Scheme. The LRT sets out where this is the case for a given occupier, lessee or tenant.

## 1.3 Part 2 – Statutory Undertakers

- 1.3.1 Part 2 of the LRT includes interests identified as statutory undertakers within Part 1 of the Book of Reference **[EN010170/APP/GH4.3]** and provides commentary in respect of the protective provisions and any voluntary agreements being sought.

## 1.4 Other Interests

- 1.4.1 The Applicant is not seeking to enter into any voluntary agreement within land owned by Category 3 interests identified in the Book of Reference **[EN010170/APP/GH4.3]** that are located outside of the Order Land. Category 3 interests have therefore been excluded from the LRT.

## 2      **Part 1 – Category 1 Interests**

Green Hill Solar Farm Detailed Land and Rights Negotiations Tracker

- Notes:
- 1. All interests which are not already acquired at the point of submission should be entered in this tracker and marked as complete (column 'w') when agreement with known interests is reached
  - 2. Any non-agreement is also counted as an objection by an affected person(s) for the purpose of this tracker
  - 3. An entry should also be made where the interest (or potential interest) holder is not known, to allow the relevant information to be added following diligent inquiry, negotiation etc
  - 4. An editable version of this tracker must be submitted to The Planning Inspectorate with the application as an appendix to the Statement of Reasons
