You don't often get email from [REDACTED]

Hi,

Thank you for your emails. Unfortunately, they have been sent to the Highway development control email address and only recently reached the correct team in Planning Services at Lincolnshire County Council.

Please note the correct email address for all NSIP related matters is nsips@lincolnshire.gov.uk

We have had no involvement in this scheme to date as we only share a 20m length of boundary with Northamptonshire. It would therefore be very difficult for us to comment on adequacy of consultation in this case.

Kind regards,
