

Commentary on LVIA issues:

*All nature has a feeling: woods, fields, brooks
Are life eternal: and in silence they
Speak happiness beyond the reach of books;
There's nothing mortal in them; their decay
Is the green life of change; to pass away
And come again in blooms revived.
Its birth was heaven, eternal it its stay,
And with the sun and moon shall still abide
Beneath their day and night and heaven wide.*

John Clare

Image 1: Also shown on Greenhill documents, suggesting that the second BESS will not be visible from Grendon. That does not appear to be the case since the view from a few yards further down the public footpath has a clear view across to the storage unit.
