### Introduction

This document contains the Bozeat Parish Council response to the updated documents submitted by the applicant and comments on the Local Impact Reports submitted by the affected LPAs.

#### [EN010170-000910-GH7.1\\_A\\_Outline Construction Environmental Management Plan\\_Revision A \(Tracked\)](#)

We feel that the proposal to allow out of hours noise of over 65db until 11:00 pm is unacceptably late.

#### [EN010170-001023-GH8.1.6\\_Written Summary of the Applicants Oral Submissions and Responses at Issue Specific Hearing 1 and Responses to Action Points](#)

Although not material, could my name please be corrected to Skittrall and not Skittral.

#### [EN010170-001041-LOCAL IMPACT REPORT\\_WEST NORTHANTS COUNCIL & EN010170-000758-07.11.25 GH5F NNC LIR](#)

We agree with both Local Impact Reports in that:

- there would be an adverse impact upon the landscape
- there would be an adverse impact upon the landscape character
- the impacts would be greater than the applicant suggests
- local roads need to be assessed for glint and glare not least because some are heavily used
- the community benefit scheme should form a part of the DCO
- funding for decommissioning must be secured
