4. Any Other Business

The ExA may extend an opportunity for the applicant, IPs and other persons to raise matters relevant to topics covered in ISH2 that they consider should be examined.

5. Review of matters and actions arising

The ExA will discuss how any actions arising from the discussion are to be addressed by the applicant, IPs or other persons following ISH2. A written action list will be published if required.

6. Close of Hearing

Attendees

Based on all written submissions received up to and including deadline 2, the ExA would find it helpful if the following parties could attend this hearing:

Agenda Item 3.2 Ecology and Biodiversity	Agenda Item 3.3 Water environment and flood risk	Agenda Item 3.4 Landscape, Design and Glint and Glare
<ul style="list-style-type: none">• Applicant, including a representative with expertise in ecology and biodiversity• Any local authority with an interest in the agenda item	<ul style="list-style-type: none">• Applicant, including a representative with expertise in water environment and flood risk matters• Any local authority with an interest in the agenda item	<ul style="list-style-type: none">• Applicant, including representatives with expertise in landscape and visual, design and glint and glare matters• North Northamptonshire Council• West Northamptonshire Council• Milton Keynes City Council
Agenda Item 3.5 Traffic and Transport		
<ul style="list-style-type: none">• Applicant, including a representative with expertise in traffic and transport matters• National Highways• Any local authority with an interest in the agenda item		

However, this does not indicate that other parties will not be able to contribute. All IPs are invited to attend and make oral representations on the matters set out in the agenda, subject to the ExA's ability to control the hearing.

The ExA has sought to provide sufficient detail to assist the parties to prepare for the hearing. The details set out above are indicative and the ExA may find it necessary to include additional agenda items or to amend the order in which the items are dealt with.

Anyone wishing to attend the hearing in person, who has not already advised the Case Team of this, should do so as soon as possible.

The event will be livestreamed and a link for watching the livestream will be posted on the [project webpage](#) of the National Infrastructure Planning website closer to the hearing date. IPs and members of the public who wish to observe the hearing can

therefore view and listen to the hearing using the livestream, or view and listen to the recording, after it has concluded.

Timing

The ExA will keep to the agenda as much as possible. This hearing is not expected to go beyond 15:00.

Anyone who is not able to provide all their oral submissions by the close of the hearing should follow it up in writing.

Registration Process

Parties who have registered to speak (both in person and virtually) will receive a Joining Instruction email shortly before the hearing which will include a link to the virtual event on Microsoft Teams, and a telephone number should they need to participate by telephone. To enable the hearing to start on time at **10:00** those attending virtually should join promptly at **09:30** to ensure that all virtual attendees can complete the registration process in good time.

Procedure at ISH

Guidance under the Planning Act 2008 and the Infrastructure Planning (Examination Procedure) Rules 2010 provides that it is for the ExA to probe, test and assess the evidence through direct questions of persons making oral representations at hearings. Questioning at the hearing will be led by the ExA. Cross questioning of a person giving evidence by another person will only be permitted if the ExA decides it is necessary to ensure representations are adequately tested or that an IP has had a fair chance to put its case.
