1

00:00:04.340 --> 00:00:07.640

Welcome back, everyone. It's four o'clock and time to resume the hearing.

2

00:00:07.720 --> 00:00:11.600

Um, so we're now on to item 3.2 of the agenda, which

3

00:00:11.800 --> 00:00:15.560

is, um, if the applicant could give me an update,

4

00:00:15.660 --> 00:00:18.820

um, with respect to land right negotiations since the previous

5

00:00:18.900 --> 00:00:22.300

updates. Thank you very much.

6

00:00:24.100 --> 00:00:26.260

Uh, Julian Barter for the applicant.

7

00:00:26.340 --> 00:00:29.920

Um, so on, focusing on the, um, cable

8

00:00:30.000 --> 00:00:33.900

route, there's 35 agreements. Uh, and if we're going to be gained

9

00:00:33.940 --> 00:00:36.180

another one from the material changes, but obviously then we're going to be

10

00:00:36.220 --> 00:00:39.920

discussing those an- another time. But so there's 35.

11

00:00:40.020 --> 00:00:42.540

Um, we've now have, uh, eight in

12

00:00:42.580 --> 00:00:46.500

legals, um, and that was pretty much from deadline

13

00:00:46.560 --> 00:00:50.519

one. So, deadline three, in terms of changes, none, uh,

14

00:00:50.589 --> 00:00:54.240

we haven't had any extras, but there are, uh, many more out for

15

00:00:54.280 --> 00:00:57.440

signing. So that will bring us to 14 in

16

00:00:57.500 --> 00:01:01.420

total. So it's pretty, getting near sort of 50%,

17

00:01:01.540 --> 00:01:05.379

um, of the cable route, which is, uh, very positive.

18

00:01:05.440 --> 00:01:08.420

Um, we're also engaging with one of the local agents that has

19

00:01:09.500 --> 00:01:13.340

several, um, clients on the cable route and

20

00:01:13.380 --> 00:01:17.220

working on a template heads of terms, t- to then run through

21

00:01:17.260 --> 00:01:19.780

those. So there's some very, uh, positive moments.

22

00:01:21.380 --> 00:01:22.680

If there's any other questions you'd

23

00:01:22.690 --> 00:01:26.000

like...

24

00:01:27.100 --> 00:01:30.300

Thank you. That's helpful. Um, I just had one question.

25

00:01:30.340 --> 00:01:33.640

I didn't know whether there was any updates you could give with regard to any Crown

26

00:01:33.680 --> 00:01:37.610

Land matters, any disc- 'cause um, we're aware that these can be a

bit of

27

00:01:37.640 --> 00:01:39.540  
a slower process.

28

00:01:41.900 --> 00:01:41.910  
(laughs)

29

00:01:41.920 --> 00:01:42.940  
Uh, Claire Boggio for the applicant.

30

00:01:42.980 --> 00:01:46.750  
We are still, uh, waiting for, um, a number of Crown Bodies

31

00:01:46.780 --> 00:01:50.580  
to confirm that they do in fact still have,

32

00:01:50.720 --> 00:01:54.670  
um, an interest in the land. Um, so we will

33

00:01:54.740 --> 00:01:58.700  
continue to chase, um, the relevant bodies

34

00:01:58.920 --> 00:02:02.180  
to confirm whether or not it i- whether or not it is Crown

35

00:02:02.240 --> 00:02:04.700  
Land, uh, is the, is the first question.

36

00:02:04.740 --> 00:02:08.590  
And then secondly, if it is Crown Land, um, to, um,

37

00:02:08.660 --> 00:02:12.400  
obtain a Section 135, um, consent from

38

00:02:12.460 --> 00:02:16.440  
them. Um, obviously, as you'll be aware, we will try and do that by  
the

39

00:02:16.500 --> 00:02:19.980  
end of the examination, but the timing of the

40

00:02:20.100 --> 00:02:24.060

consent, um, is, is, is required before the Secretary of State

41

00:02:24.300 --> 00:02:27.840

makes a decision. So sometimes the relevant Crown Body doesn't

42

00:02:27.860 --> 00:02:31.580

necessarily prioritize it for close of the

43

00:02:31.590 --> 00:02:35.350

examination, but it may, uh, they'll be aware that it's needed before the

44

00:02:35.360 --> 00:02:36.860

Secretary of State makes a decision.

45

00:02:36.920 --> 00:02:40.520

So we will, um, provide, um, an update on the

46

00:02:40.530 --> 00:02:44.489

status of, um, Section 135, um, consents a- at

47

00:02:44.620 --> 00:02:45.980

deadline three. Thank

48

00:02:46.040 --> 00:02:51.420

you.

49

00:03:00.960 --> 00:03:04.860

Um, thank you. That's helpful. Um, I think that's all

50

00:03:04.940 --> 00:03:07.140

I had on that point, um, at the moment then.

51

00:03:07.200 --> 00:03:11.140

Um, presumably, um, updates will come in at sort of deadlines three and four as

52

00:03:11.180 --> 00:03:13.640

necessary if there's been any change.

53  
00:03:13.680 --> 00:03:14.060  
Yeah.

54  
00:03:14.100 --> 00:03:18.000  
Thank you. Um, okay. Well, that brings to a close, um,

55  
00:03:18.040 --> 00:03:21.609  
agenda item 3.2 then, and I'll hand over to my colleague, Ms. Bebe.  
Thank you.

56  
00:03:24.380 --> 00:03:27.120  
Thank you. So, um, addressing now any other business.

57  
00:03:27.200 --> 00:03:30.940  
Um, the examining authority extends an opportunity for the applicant

58  
00:03:31.120 --> 00:03:35.100  
and affected persons to raise matters relevant to topics raised

59  
00:03:35.160 --> 00:03:37.880  
in today's hearing, um, that they consider should be

60  
00:03:37.960 --> 00:03:41.720  
examined. So, now is your opportunity to raise

61  
00:03:41.760 --> 00:03:44.400  
anything further you'd wish to draw our attention to,

62  
00:03:44.440 --> 00:03:47.160  
please.

63  
00:03:49.560 --> 00:03:53.340  
Is there anyone in the room? No? Thank you.

64  
00:03:55.120 --> 00:03:57.600  
Anyone online who wishes to make any further points at all,

65  
00:03:57.620 --> 00:03:59.620  
please?

66

00:04:04.880 --> 00:04:08.710

I can't see any hands. So that being the case, all that remains today is,

67

00:04:08.780 --> 00:04:12.460

um, for our closing remarks in this very brief

68

00:04:12.540 --> 00:04:15.980

second part of the hearing. Um, there are going to be various further

69

00:04:16.040 --> 00:04:19.500

discussions and signposting points as noted following

70

00:04:19.540 --> 00:04:23.480

today, um, but we don't propose to take formal action points

71

00:04:23.540 --> 00:04:27.140

as such. Just to confirm that those of you attending

72

00:04:27.150 --> 00:04:30.840

tomorrow's accompanied site inspection from the start should meet

73

00:04:30.920 --> 00:04:34.880

us, us here at the Hilton Northampton car park at 8:15

74

00:04:34.960 --> 00:04:38.640

A.M. That's 8:15, one-five,

75

00:04:38.680 --> 00:04:42.280

A.M. tomorrow. Uh, thank you all for your contributions

76

00:04:42.360 --> 00:04:44.539

today. The hearing is now closed.
