Written Summary of Open Floor Hearing 2

The Applicant has agreed with the Examining Authority that they will be making a late submission of **Written Summary of the Oral Submissions at the Open Floor Hearing 2 and the Applicants Responses [EX3/GH8.1.24]** on the 22 December 2025. This is due to the recording and transcript of the hearing not being published until the 16 December 2025. The Applicant wishes to ensure that it captures all of the oral submissions that were made by interested parties accurately and comprehensively, and there was insufficient time to review the recordings against the notes made by the Applicant on the day to submit at Deadline 3.

Yours sincerely,
