# 1 Summary of Oral Submissions at Issue Specific Hearing 4

Agenda Item	Comment
<b>1. Welcome, introductions, arrangements for the Hearing</b>	The ExA introduced the hearing and made some preliminary remarks.
<b>2. Purpose of Issue Specific Hearing 4</b>	<p>The ExA explained that the purpose of the hearing is to hear representations from any new interested parties in respect of matters discussed during issue specific hearings 1 to 3. The ExA indicated that only two new affected persons had been brought into the Examination, being Acan Developments Limited and Sywell Solar Limited.</p> <p>Claire Brodrick, partner at Pinsent Masons LLP (solicitors for the Applicant), clarified that no new interested parties or affected persons were added as a result of Change Request 1. Both Sywell Solar Farm Limited and Acan Developments Limited were already listed in the Book of Reference.</p> <p>Ms Brodrick explained that Sywell Solar Farm Limited was already noted as having leasehold interests within the Order limits as a result of their solar farm located to the north of Green Hill C. Acan Developments Limited were already included in the Book of Reference from the outset in respect of a presumed subsoil interest in plot 03-034-c. As a result of the Change Request, they are now listed in respect of a confirmed registered land interest.</p> <p>The ExA closed the hearing after confirming no interested party wished to speak.</p>
