1 Introduction

1.1 Purpose of the Document

1.1.1 This document has been prepared to provide the Examining Authority (ExA) with the latest position on Statements of Common Ground (SoCG) between Island Green Power (IGP) (the 'Applicant') and statutory consultees, statutory undertakers and other Interested Parties (the 'parties') in relation to the proposed Green Hill Solar Project (the 'Scheme').

1.1.2 This document provides a position on the commonality on specific points between SoCGs up to Deadline 6 (being 24 March 2026).

1.1.3 The Applicant will, for each deadline during the course of the Examination, update this Statement as a record of the progress being made with the various parties. When sufficient progress has been made on agreements between parties, this document will also discuss those areas of commonality between parties to enable the efficient resolution and focusing in on the remaining issues.

1.2 Structure of this Document

1.2.1 This Statement of Commonality is structured as follows:

- Section 2 details the structure of each SoCG document. **Table 2.1** provides a full list of SoCGs being produced and offers an overview of the status of each SoCG being submitted to Deadline 6;
- Section 3 sets out the commonality between SoCGs; and
- Section 4 provides a narrative on specific topic areas for each SoCG being progressed.

2 Statement of Common Ground

2.1 Structure of SoCGs

2.1.1 Each SoCG adopts a standard format to ensure consistency in the approach taken to documenting those matters agreed, matters subject to ongoing discussion or matters not agreed.

2.1.2 Each SoCG is structured as follows:

- Section 1 provides an introduction to the SoCG, identifies the relevant parties and describes the purpose of the document;
- Section 2 summarises the parties' engagement undertaken to date; and
- Section 3 details those matters agreed, those matters under discussion and those matters which have not been agreed.

Discussions continue.	The Applicant is waiting for comments on the version submitted as Deadline 2. Discussions continue.	The Applicant has received a draft side agreement from NGET which it is considering. The Applicant is seeking a meeting to discuss. Discussions continue.	Discussions are ongoing, please see 4.11 below	

3 Commonality

3.1 Overview

3.1.1 This section of the Statement provides an overview of the topics covered in the SoCGs. **Table 3.2** presents, at a high level, where there is commonality in the topics discussed between the Applicant and the parties, or where matters are progressing through discussion, or where matters discussed have reached a final position of 'Not Agreed'.

3.1.2 Where a topic is not relevant to a particular party, the cell has been greyed out. Where the topic is relevant to the party, the status is shown as follows:

Table 3.1: Summary of Commonality Key

Cell	Status
	Matter agreed
	Matter subject to ongoing discussion
	Matter not agreed
	Matter not relevant to parties

3.1.3 The colour of each cell corresponds to the status figure (as above) in each individual SoCG.

3.1.4 At Deadline 3, the Applicant shared draft SoCGs with a number of parties and received feedback from them following Deadline 4. Therefore, where the Applicant considers there to be a high degree of certainty over matters being agreed and is waiting for confirmation, they are marked as green in **Table 3.2**.

3.1.5 Following the Summary of Commonality in **Table 3.2**, **Section 3.2** outlines the principal outstanding matters which are subject to further discussion before a final position can be reached.

Table 3.2: Summary of Commonality with Parties

SoCG Party	Scheme Description	Energy Need	Planning Statement	Alternatives and Design Evolution	EIA Methodology	Climate Change	Landscape and Visual	Ecology and Biodiversity	Hydrology, Flood Risk and Drainage	Minerals	Cultural Heritage	Transport and Access	Noise and Vibration	Glint and Glare	Air Quality	Socio Economics	Human Health	Arboriculture	Agricultural Land Classification	Electromagnetic Fields	Ground Conditions and Contamination	Major Accidents and Disasters	Other Environmental Matters	Assessment of Cumulative Effects	Fire Safety	Protective Provisions
North Northamptonshire Council							All other matters	All other matters			All other matters															
							LVIA-10.2; LVIA-13.2.2; LVIA-13.3.2; LVIA-13.4.2; LVIA-15	EB-05			CH-03

							LVIA-10.2; LVIA-13.3.2; LVIA-13.4.2; LVIA-15	EB-06; EB-07																		
Milton Keynes City Council				All other matters			LVIA-02; LVIA-04; LVIA-08	All other matters	All other matters																	
				ALT-01; ALT-04			All other matters	EB-03																		
Historic England																										

4 Positions at Deadline 5

4.1.1 This section provides a summary of the position reached across all SoCGs being progressed and submitted to Deadline 5. The Applicant will continue to engage with those parties through the examination on matters which are ongoing.

4.2 North Northamptonshire Council

4.2.1 The matters recorded in the SoCG have been subject to discussion, through monthly catchups, between the Applicant and North Northamptonshire Council (NNC) as well as some topic specific meetings e.g. landscape and visual impact, and historic environment. Following the submission of the draft SoCG at Deadline 5, the Applicant met with the LLFA on the 13 March and it was agreed that matters under hydrology, flood risk and drainage are agreed.

4.2.2 The Applicant met with the Council's ecologist on the 18 March and all matters other than the Habitat Regulation Assessment (EB-05) are agreed. EB-05 has been moved to disagreed and relates to the approach to Functionally Linked Land.

4.2.3 The NNC landscape consultant issued updated comments to the Applicant on the 24 March 2026 which moved the remaining landscape matters which were under discussion to disagreed.

4.2.4 The final SoCG will be submitted for Deadline 7.

4.3 West Northamptonshire Council

4.3.1 The matters recorded in the SoCG have been subject to discussion, through monthly catchups, between the Applicant and West Northamptonshire Council (WNC) as well as some topic specific meetings e.g. landscape and visual impact, and historic environment. Following the submission of the draft SoCG at Deadline 5, the Applicant received comments from WNC on the 23 March 2026. These comments have moved all matters to agreed other than some remaining items under discussion which relate to ecology, soils and agriculture and cumulative effects. The WNC landscape consultant issued updated comments to the Applicant on the 24 March 2026 which moved the remaining landscape matters which were under discussion to disagreed.

4.4 The final SoCG will be submitted for Deadline 7. Milton Keynes City Council

4.4.1 The matters recorded in the SoCG have been subject to discussion, through monthly catchups, between the Applicant and Milton Keynes City Council (MKCC) as well as some topic specific meetings e.g. landscape and visual impact, historic environment and ecology. Following the submission of the draft SoCG at Deadline 5 the Applicant received comments from MKCC on the 22 March 2026. These comments have moved all matters agreed other than matters which have moved to disagreed on landscape and visual impact and alternatives and design evolution.

4.5 The final SoCG will be submitted for Deadline 7. Historic England

4.5.1 All matters have been agreed between the parties. A signed SoCG is submitted at Deadline 6 [EX6/GH8.3.4_A].

4.6 The Environment Agency

- 4.6.1 Following the submission of the draft SoCG at Deadline 5 **[REP5-065]**, the Applicant received comments on the 18 March 2026.
- 4.6.2 These comments moved the following matters to now be agreed: HYD-01; HYD-02; HYD-04; HYD-06; HYD-08; HYD-09; HYD-09; HYD-12; HYD-13; HYD-14 and HYD-15. These have largely been moved to agreed due to the updates that were made to the hydrology documents and Outline Battery Safety Management Plan **[REP5-075]** at Deadline 5.
- 4.6.3 The only outstanding items are EB-06; EB-07; HYD-11; GCC-01 and GCC-04
- 4.6.4 The Applicant continues to liaise with the Environment Agency, and it is hoped that a number of the matters under discussion will be agreed by Deadline 7 following review of the updated documents.

4.7 Natural England

- 4.7.1 All matters have been agreed between the parties. A signed SoCG is submitted at Deadline 5 **[REP5-106]**.

4.8 National Highways

- 4.8.1 There has been progression on matters with National Highways since Deadline 5 on matters relating to the Draft DCO Revision E**[EX6/GH3.1_E]**, specifically protective provisions. The Applicant has added a commitment in the **Outline Construction Environmental Management Plan [EX6/GH7.1_C]** which secures engagement with National Highways where any works are proposed within close proximity or adjacent to the Strategic Road Network (SRN).
- 4.8.2 The final SoCG will be submitted for Deadline 7.

4.9 Northamptonshire Fire and Rescue Service

- 4.9.1 All matters have been agreed between the parties by Deadline 2. A signed SoCG was submitted at Deadline 2 **[REP2-063]**.

4.10 Anglian Water Services

- 4.10.1 All matters have been agreed between the parties. A signed SoCG is submitted at Deadline 6 **[EX6/GH8.3.9_B]**.

4.11 National Grid Electricity Transmission

- 4.11.1 The Applicant met National Grid Electricity Transmission Plc (NGET) on the 13 March 2026 to discuss the Weston Marsh to East Leicestershire project regarding protective provisions and project timings, there was also discussion on the Sundon to Grendon scheme. Following this meeting, the NGET solicitor is considering amendments to the form of Protective Provisions.
- 4.11.2 The final SoCG will be submitted for Deadline 7.
