Subject: Fw: Green hill solar

I am totally opposed to the said building of a solar farm. Damage to the land can never be undone. Let alone the environment around it. Our country roads cannot take the strain of the traffic alone. I also think that the battery stations that will be needed are dangerous. I think that proposals such as this should be considered as a whole, not in batches, solar panels here, battery stations elsewhere. People would be more upset if they realised what the whole thing contains
