The Keadby Next Generation Power Station Project Deadline 6 response

Dear Planning Inspectorate,

This letter comprises our Deadline 6 response to the above-mentioned Development Consent Order (DCO) application.

We are satisfied with the Applicant's engagement with us on the Statement of Common Ground (SoCG).

We have reviewed the final SoCG and are satisfied that it can be submitted as the final version at Deadline 6.

We confirm that almost all matters have been 'agreed' or 'agreed in principle', and one matter remains 'not agreed'. The matter in reference concerns the use of the term 'substantially' in requirements in the draft DCO where the Environment Agency is listed as a consultee.

If you have any questions regarding our response, please contact
NIteam@environment-agency.gov.uk.

Yours sincerely,

██████████, Planning Advisor
