**Subject:** Mersey Tidal Application  
**Date:** 17 October 2024 12:11:31

---

We realise that our comment is too late for the statutory consultation period and are not certain if our comments are relevant at this stage of the application. However, we would be grateful if you can pass them on to the applicant.

Elton Parish Council have some concerns about the short-term impact of the proposed scheme on wildlife, in particular the potential disruption of wildfowl migratory patterns. Any information that could inform and alleviate those concerns would be appreciated at the appropriate stage of the application process.

Best wishes, Lara

Lara Jacob, Clerk to Elton Parish Council

Postal address - Elton Community Centre, School Lane, Elton CH2 4PU
