You don't often get email from [REDACTED] [Learn why this is important](#)

The Parish Council at Beachamwell would be opposed to this massive development.

Comments made by councillors include:

the impact on PRowS both on the visual impact and possible noise (I believe there will be some humming noises).

the whole concept of large solar farms, especially on prime agricultural land with the loss of crop production which is vital to the Rural economy in this area.

There are alternative ways solar power could be implemented without wrecking the countryside - making panels compulsory on new builds, putting them on car park roofs, for example.

Kind regards,
Sarah Hunt
Parish Clerk and Responsible Financial Officer
