

Application for Development Consent for Nationally Significant Infrastructure Projects under the Planning Act 2008

* required information

Application Form

Please read guidance documents relating to the submission of applications prior to completing this form including [government guidance](#) and the Planning Inspectorate's [Advice Note Six: Preparation and submission of application documents](#).

* Do you have a reference number?

Yes No

* Reference number

1 Applicant

* Organisation

Address

* Building number or name

* Street

* City or town

County or administrative area

* Postcode

* Country

* Name of contact

* Telephone number

Fax number

* Email

2 Agent

* Are you an agent acting on behalf of the Applicant?

Yes No

* Organisation

Continued from previous page...

Address

* Building number or name

* Street

* City or town

County or administrative area

* Postcode

* Country

* Name of contact

* Telephone number

Fax number

* Email

3. Fee

* State the arrangement for the application fee payment:

BACS CHAPS Cheque

* Please provide payment reference details

4. Confirming why the Planning Inspectorate should receive the application

* Brief statement to explain why this application is, or is to be treated as, a development for which development consent is required under the Planning Act 2008

The Proposed Development is defined as a Nationally Significant Infrastructure Project under Sections 14(1)(a), 15(1) and 15(2) of the Planning Act 2008 (PA 2008) by virtue of the facts listed below.

- The Proposed Development comprises the construction of a generating station (Section 14(1)(a) of the PA 2008);
- It would be located in England (Section 15(2)(a) of the PA 2008);
- It would generate electricity directly from sunlight (Section 15(2)(aa) of the PA 2008);
- It would not be an offshore generating station (Section 15(2)(b) of the PA 2008);
- Its capacity would be more than 100MW (Section 15(2)(c) of the PA 2008).

5. Non-technical description of the Proposed Development

* Brief non-technical description of the Proposed Development

The Proposed Development, subject of the DCO Application, comprises a solar photovoltaic (PV) electricity generating station connecting over 100 megawatts (MW) to the Monk Fryston Substation, including associated development comprising Battery Energy Storage System (BESS), substations, grid connection infrastructure and other infrastructure integral to the construction, operation and maintenance, and decommissioning phases. A full description of the Scheme is provided in Chapter 2 of the Environmental Statement [EN0110012/APP/LVS/06.01.02]

6. Location or route of the Proposed Development

* Description of location of application site(s), or route of development (reference to appropriate plans)

The entirety of the draft Order Limits is within the administrative area of North Yorkshire Council and comprises

Continued from previous page...

predominantly agricultural land between the villages of Escrick, Monk Fryston, Hambleton and South Milford. EN110012/APP/LVS/06.02.01.01 presents Figure 1.1 Site Location Plan and Order Limits (ES Volume 2). The Site is made up of four broad area types which are: the seven Solar Development Sites; the Cable Route Corridor; the Highway Improvement Areas; and Solar Development Site 8 Access.

* Is the site a single site or a linear site?

Single site Linear site

7. Associated Development

* Associated Development is included within this application:

Yes No

* Document reference

8. a) Consultation Report

* Document reference

8. b) Copies of newspaper notices

* Document reference

9. Draft Development Consent Order

Continued from previous page...

* Document reference

10. Explanatory Memorandum

* Document reference

11. Land Plan

* Document reference

12. Works Plan

* Document reference

13. Compulsory Acquisition of land or an interest in land or right over land

* Issues are relevant for this application:

Yes No

Statement of reasons document reference

Funding statement document reference

Book of Reference document reference

14. a) Environmental Impact Assessment (EIA)

* Environmental Statement (ES) required:

Yes No

* ES Document Reference

Continued from previous page...

14. b) Screening Opinion/ Direction and Scoping Opinion/ Direction

* Screening Opinion sought, or direction received:

Yes No

* Scoping Opinion sought:

Yes No

Document reference

Document reference

14. c) Publicity required under Regulation 13 of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (or where the transitional provisions apply, Regulation 11 of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2009)

In addition to publishing the notice, a copy of the notice was sent to:

* the consultation bodies

* Yes

* the persons notified to the Applicant in accordance with Regulation 11(1)(c) of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (or where the transitional provisions apply, Regulation 9(1)(c) of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2009):

Yes No, not applicable

15. European sites (to which Regulation 63 of The Conservation of Habitats and Species Regulations 2017 and/ or Regulation 28 of the Conservation of Offshore Marine Habitats and Species Regulations 2017 applies) or a Ramsar site.

* Report required for this application:

Yes No

* Document reference

16. A plan, with accompanying information, identifying any statutory or non statutory sites or features of nature conservation, geological or landscape importance; habitats of protected species, important habitats or other diversity features; and water bodies in a River Basin Management Plan - together with an assessment of any effects likely to be caused by the Proposed Development.

* Issues are relevant for this application:

Yes No

* Document reference

* Document reference

22. Additional information for specific types of infrastructure ?

* Additional information is required to be submitted in accordance with Regulation 6 of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009:

Yes No

* Provide a brief description

* Document reference

Regulation 6 of the Infrastructure Planning (Applications: Prescribed Forms and Procedures) Regulations 2009 requires additional information to be submitted with the following types of development.

* Please check any of the following boxes that apply:

- Construction or extension of a non offshore generating station (Reg. 6 (1a))
- Construction or extension of an offshore generating station (Reg. 6 (1b))
- Highway related development (Reg. 6 (2) (part 1))
- Construction or alteration of a railway (Reg. 6 (2) (part 2))
- Construction or alteration of harbour facilities (Reg. 6 (3))
- Construction of a pipeline (Reg. 6 (4))
- Construction or alteration of a hazardous waste facility (Reg. 6 (5))
- Construction of a dam or reservoir (Reg. 6 (6))

Construction or extension of a non offshore generating station (Reg. 6 (1a))

* Provide a statement of who will be responsible for designing and building the connection to the electricity grid

Continued from previous page...

See Grid Connection Statement reference EN0110012/APP/LVS/05.10

* Is it a gas fuelled generating station?

Yes

No

23. Any other plans, drawings and sections necessary to describe the proposal for which development consent is sought, and any other documents, reports or information to support the application

Provide a brief description of any other plans, drawings and sections that are being submitted with this application

Outline Environmental Masterplan, Tree Preservation Order and Hedgerow Plan, Crossings Plan, Highways Improvement Areas, Illustrative Site Layout Plans, Indicative Engineering Drawings and Sections
