1 Land and Rights Negotiations Tracker Introduction

1.1 Summary

- 1.1.1 This Land Rights Tracker (“LRT”) has been prepared by Light Valley Solar Limited (“the Applicant”) as part of its application for a development consent order (“DCO”) under the Planning Act 2008 for the Light Valley Solar Project (the “Proposed Development”)
- 1.1.2 The LRT provides the details of category 1 land interests owning land within the Order Limits and any category 2 interests who have submitted a relevant representation and are not already included elsewhere in the LRT, and explains the status of the negotiations with these affected parties. It will be updated throughout Examination to provide an overview of negotiations as these progress with affected parties.
- 1.1.3 In addition to landowners, the LRT includes interests held by statutory undertakers and other utility owners and provides a summary of negotiations and progress made towards agreeing a form of bespoke protective provisions (“PPs”) to be included in the DCO and/or commercial agreement.
- 1.1.4 The Applicant is engaging with Crown authorities to obtain relevant consents pursuant to section 135 of the Planning Act 2008.

1.2 Part 1 – Category 1 Interests (Owners)

- 1.2.1 Part 1 of the LRT includes category 1 owners identified within the **Book of Reference [EN0110012/APP/LVS/04.03]** where the acquisition of freehold land, permanent rights and temporary possession is required, and the land interest is able to provide proof of title.
- 1.2.2 Where no interest has come forward declaring ownership or proving ownership of unregistered plots, negotiations are not ongoing, and the plots have not been included in the LRT. These plots will be kept under review during the Examination and if an interest comes forward, or evidence of ownership is provided, the LRT will be updated accordingly.
- 1.2.3 Where a land interest is identified within the **Book of Reference [EN0110012/APP/LVS/04.03]** as having an interest in respect of the subsoil beneath a publicly adopted highway, these plots have not been included as no voluntary land rights are being sought other than engaging with the relevant highways authority as part of the DCO process.
- 1.2.4 Category 1 occupiers, lessees and tenants identified within the **Book of Reference [EN0110012/APP/LVS/04.03]** have not been included within the LRT. The Applicant is requesting such interests are signatories to voluntary agreements being sought with category 1 owners where required.

1.3 Part 2 – Statutory Undertakers and Crown Authorities

- 1.3.1 Part 2 of the LRT includes interests identified as statutory undertakers and other utility owners within Part 1 of the **Book of Reference [EN0110012/APP/LVS/04.03]** and provides commentary in respect of protective provisions and/or any commercial agreements.
- 1.3.2 While telecommunication operators are not statutory undertakers, they have been included in the table at Part 2 for completeness as persons identified with an interest or apparatus in the Order Limits who are therefore also subject to compulsory acquisition as part of the Application.
- 1.3.3 Crown authorities have been included where the Applicant understands consent is required pursuant to section 135 of the Planning Act 2008.

1.4 Part 3 – Category 2 Interests with Relevant Representations

- 1.4.1 Action Point CAH1-12 of Compulsory Acquisition Hearing 1 (CAH1), required the Applicant to update the LRT to include Category 2 interests who have objected, the relevant plot numbers and the current status of negotiations.
- 1.4.2 The Applicant has updated the LRT in response to CAH1-12 at Part 3 and confirms that the table includes all Category 2 interests who have submitted a Relevant Representation that are not already included within Part 1 or Part 2 of the LRT.
- 1.4.3 Where required, the Applicant is requesting the Category 2 interests provide consent to voluntary agreements being sought with Category 1 owners.

1.5 Other Interests

The Applicant is not seeking to enter into any voluntary property agreements with Category 3 interests identified in the **Book of Reference [EN0110012/APP/LVS/04.03]** located outside of the Order Limits. Category 3 interests have therefore been excluded from the LRT.
