

MONK FRYSTON PARISH COUNCIL

30 September 2026

Planning Inspectorate
c/o QUADIENT
69 Buckingham Avenue
Slough
SL1 4PN

Subject Light Valley Solar (LVS) - Planning Inspectorate Reference: EN0110012
Site 2 BESS

Dear Sir/Madam,

Monk Fryston Parish Council (MFPC) notes and welcomes the Examining Authority's issue of a notice under Rule 17 of the Infrastructure Planning (Examination Procedure) Rules 2010.

The Parish Council was disappointed to learn that the Marine Management Organisation had initially been omitted by Light Valley Solar (LVS) as an Interested Party. MFPC is therefore pleased that the Marine Management Organisation has now been included in the examination process.

MFPC considers the Marine Management Organisation to be an important consultee in this application, given the potential environmental implications associated with the proposed development. The Parish Council further notes that the Organisation has been afforded limited time to review and respond to a substantial volume of application and examination documentation.

In light of these circumstances, MFPC would be grateful if the Examining Authority could confirm that the Marine Management Organisation has been provided with sufficient time to consider the application, undertake the necessary due diligence, and prepare an informed response.

Chair - [REDACTED], 3 Kingston Grange Monk Fryston Leeds LS25 5FU

Clerk to the Council - [REDACTED] 24 Moss Row, Wilsden, Bradford BD15 0EP
Tel [REDACTED] Email - clerk@monkfryston-pc.gov.uk

Yours sincerely
