Dear Sirs

DCO Scheme: Light Valley Solar

Our client: Network Rail Infrastructure Limited

Subject: Response to Examiners Questions dated 22 September 2026

Deadline: 2

This Firm is instructed by Network Rail Infrastructure Limited (**NR**) in relation to the application by Light Valley Solar Limited (**Applicant**) in connection with the DCO Scheme.

Network Rail's internal ASPRO engineers are currently reviewing the documentation provided by the Applicant but are not yet in a position to provide a full substantive response to the Examining Authority's questions.

In addition, Network Rail's signal sighting engineer has reviewed the glint and glare assessment submitted and has identified that further information is required before Network Rail is able to provide a substantive response to the Examining Authority's questions, including clarification of the locations of receptors. That further information has been requested from the Applicant.

Subject to receipt of that information, Network Rail will endeavour to provide its substantive response by the next deadline, being 17 November 2026.

Yours faithfully
