Dear Sir/Madam,

Planning Application Number:	EN0110012
Planning Application Description:	Application by Light Valley Solar Limited for an order granting development consent for the Light Valley Solar project

The Board writes in relation to the above application after reviewing the Deadline 3 documents/responses.

The Board have reviewed paragraph 10 of Schedule 2 of the recent Development Consent Order **[REP3-013]** and the Board are happy with the amendment.

The Board have also reviewed:

1. Outline Environmental Masterplan - Site 1 - Sheet 1 – Version 3.0 **[REP3-004]**
2. Outline Environmental Masterplan - Site 1 - Sheet 2 – Version 2.0 **[REP3-005]**

The Board are happy with the majority of the proposed planting other than the below which needs amending:

- **South of F1.32 near "Gray Reins"**
  There is a hedgerow crossing the ordinary watercourse – please remove this and keep another small section of hedge removed on either side of the watercourse so that a machine could get by and not be blocked by the hedge.

- **West of Winter's Plantation**
  Please remove the hedge crossing the watercourse and any proposed new hedging within 9 metres of the bank top of the watercourse on the western side.

Yours faithfully,
