Issue 1.0	October 2026	Change Application
Issue 1.0	November 2026	Deadline 4 Submission

Schedule of Changes to the draft DCO ("dDCO")

The table below details the changes made to the dDCO since its submission. The table below does not detail minor changes made in relation to typographical errors, consistency checks and updates in cross-referencing.

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
Preamble			
Preamble	~~In accordance with section 132(3) (commons, open spaces etc: compulsory acquisition of rights over land)(h) of the 2008 Act, the Secretary of State is satisfied, having considered the report and recommendation of the Panel, that the parcels of special category land comprised within the Order land, when burdened with a new right created under this Order, will be no less advantageous than they were before the making of this Order to the following persons: (a) the persons in whom they are vested; (b) other persons, if any, entitled to rights of common or other rights; and (c) the public.~~ [Footnotes:] (~~h~~) ~~Section 132 was amended by section 24(3) of the Growth and Infrastructure Act 2013 (c.27).~~	To reflect that compulsory acquisition of rights is not required over the special category land within the Order limits and therefore section 132 of the Planning Act 2008 is not engaged.	Deadline 2
Articles			
Article 2 (Interpretation)	"authorised development" means the development and associated development described in Schedule 1 (authorised development) and any other development within the meaning of section 32 (meaning of "development") of the 2008 Act authorised by this Order;	To clarify the scope of the definition and align with the definition used in other made solar DCOs including, The Springwell Solar Farm Order 2026, The Fenwick Solar Farm Order 2026 and The	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
		Tillbridge Solar Project Order 2025.	
	"commercial use" means the export of electricity from any part, and the import of electricity to any part, by the authorised development on a commercial basis, following the date of final commissioning of any part of the authorised development;	Definition added to define "commercial use".	Deadline 2
	"date of decommissioning" means in respect of each part of the authorised development, the date notified under requirement 19 that the commercial use of that part of the authorised development has permanently ceased ~~to generate electricity on a commercial basis~~;	To reflect the inclusion of "commercial use" as a defined term. Re-ordered in the list of defined terms to be in the correct alphabetical position.	Deadline 2
	"design parameters and commitments ~~document~~" means the document of that name identified in the table of Schedule 13 and which is certified by the Secretary of State as the design parameters and commitments ~~document~~ for the purposes of this Order;	Correction.	Deadline 3
	"drainage authority" means in relation to an ordinary watercourse— (a) the drainage board concerned within the meaning of section 23 (prohibition on obstructions etc. in watercourses) of the Land Drainage Act 1991; or (b) in the case of any area for which there is no such drainage board, the lead local flood authority within the meaning of section 6 (other definitions) of the Flood and Water Management Act 2010;	Definition added following changes utilise the definition within article 17.	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	~~"limits of deviation" means the limits of deviation shown for each numbered work on the works plans;~~	Removal of unused definition.	Deadline 2
	"outline drainage strategy" means appendix 15.4 of the environmental statement and the document of that name identified in the table at Schedule 13 and which is certified by the Secretary of State as the outline drainage strategy for the purposes of this Order;	In response to comments made by the ExA in the ExA's First Written Questions.	Deadline 3
	permitted preliminary works" means all or any of— (a) non-intrusive environmental surveys; (b) geotechnical surveys and other investigations for the purpose of assessing ground conditions; (c) intrusive archaeological surveys (including stripping, mapping, sampling and recording); (d) removal of plant and machinery; (e) above ground site preparation for temporary facilities for the use of contractors, including the installation of haul roads that do not involve watercourse crossings; (f) remedial work in respect of any contamination or other adverse ground conditions; (g) protection, diversion and laying of apparatus; (h) the provision of temporary means of enclosure and site security for construction; (i) the temporary display of site notices or advertisements; (j) site clearance (including vegetation removal, demolition of existing buildings and structures (and any associated infrastructure) ~~and removal of existing plant and machinery~~); (k) Work No. 9B; (l) Work No. 8; (m) advanced planting; or	Updated definition to include the protection of apparatus, in addition to diversion and laying, to cover all activity relating to existing utilities covered by the Protective Provisions. Amended to remove duplication of "plant and machinery" and "Work No. 10".	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(n) footpath works, including Public Rights of Way (PRoW) diversions (temporary and permanent) and Work No. 10~~; or~~. ~~(o) Work No. 10.~~		
	"permitted preliminary works environmental management plan means the document of that name identified in the table at Schedule 13 and which is certified by the Secretary of State as the permitted preliminary works environmental management plan for the purposed of this Order;	Inclusion of a definition of a "permitted preliminary works environmental management plan" as a new certified document, reflecting changes to Requirement 12 (Construction environmental management plan).	Deadline 2
Article 3 (Development consent etc. granted by this Order)	**3.**—(1) Subject to the provisions of this Order and the requirements in Schedule 2 (requirements), the undertaker is granted development consent for the authorised development to be carried out within the Order limits.	In response to comments made by the ExA in the ExA's First Written Questions.	Deadline 3
Article 5 (Power to maintain the authorised development)	(3) This article does not authorise the carrying out of any maintenance which is likely to give rise to any materially new or materially different effects ~~in comparison with those reported~~that have not been assessed in the environmental statement.	Clarification to ensure consistency with how this phrase is used	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
		throughout the draft DCO.	
Article 6 (Disapplication and modification of legislation, etc.)	(1) The following provisions do not apply in relation to the construction of any work or the carrying out of any operation required for the purposes of, or in connection with, the construction, operation, maintenance or decommissioning of any part of the authorised development— (a) section 23 (prohibition of obstructions, etc. in watercourses) of the Land Drainage Act 1991( ); (b) section 32 (variation of awards)( ) of the Land Drainage Act 1991; (c) the provisions of any byelaws made under section 66 (powers to make byelaws) of the Land Drainage Act 1991; (d) the provisions of any byelaws made under, or having effect as if made under, paragraphs 5, 6 or 6A of Schedule 25 (byelaw making powers of the appropriate agency) to the Water Resources Act 1991( ); (e) regulation 12 (requirement for environmental permit) of the Environmental Permitting (England and Wales) Regulations 2016( ) in respect of a flood risk activity only; (f) the legislation listed in Schedule 3 (legislation to be disapplied) in so far as the provisions still in force are incompatible with the powers contained within this Order and do not impact on the operation or maintenance of the River Ouse as a navigable river; and (g) the provisions of the Neighbourhood Planning Act 2017( ) insofar as they relate to the temporary possession of land under articles 31 (temporary use of land for constructing the authorised development) and 32 (temporary use of land for maintaining the authorised development) of this Order. (2) For the purposes of section 9 (requirement of licence for felling) of the Forestry Act 1967 any felling comprised in the carrying out of any work or operation required for the purposes of, or in connection with, the construction of the authorised development is deemed to be immediately required for the purpose of carrying out development authorised by planning permission granted under the 1990 Act. (3) Regulation 6(1) of the Hedgerows Regulations 1997 has effect as though after sub-paragraph (e) there were added— "(ea) for carrying out any development or in the exercise of any functions that are authorised by the Light Valley Solar Order 202[ ];".	Additional text added to paragraph (1)(f) to respond to a request from the Ouse IDB. Paragraph (4) added in response to comments made by Natural England during the Examination of the Lime Down Solar Project (EN010168). Please see reference [AS-018] from that project's Examination Library. Natural England confirmed that, without this modification, restoration of the land at decommissioning would require a screening	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(4) Regulation 3(2) of The Environmental Impact Assessment (Agriculture) (England) (No.2) Regulations 2006 has effect as though after sub-paragraph (b) there were added— "(ba) constitutes development to which the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 apply;". (5) ~~(4)~~ Notwithstanding the provisions of section 208 (liability) of the 2008 Act, for the purposes of regulation 6 (meaning of "development") of the Community Infrastructure Levy Regulations 2010 any building comprised in the authorised development is deemed to be— (a) a building into which people do not normally go; or (b) a building into which people go only intermittently for the purpose of inspecting or maintaining fixed plant or machinery.	application under the EIA (Agriculture) Regulations. Were the Proposed Development consented by a planning permission, it would be exempt from this requirement. This modification has been added to ensure that there is no impediment to the proposed restoration of the land to agricultural use following decommissioning, as has been assessed within the Environmental Statement.	
Article 7 (Defence to proceedings in respect of	(1) Where proceedings are brought under section 82(1) (summary proceedings by a person aggrieved by statutory nuisance) of the Environmental Protection Act 1990 in relation to a nuisance falling within sub-paragraph (g) of section 79(1) (noise emitted from premises so as to be prejudicial to health or a nuisance) of that Act no order may be made, and no fine may be imposed, under section 82(2) of that Act if the defendant shows that the nuisance—	Correction to remove duplication of "nuisance". Footnote has been updated to	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
statutory nuisance)	(a) relates to premises used by the undertaker for the purposes of or in connection with the construction or maintenance of the authorised development and that the nuisance is attributable to the construction or maintenance of the authorised development in accordance with a notice served under section 60 (control of noise on construction site) of the Control of Pollution Act 1974(a), or a consent given under section 61 (prior consent for work on construction site) of that Act; or (b) is a consequence of the construction or maintenance or decommissioning of the authorised development and that it cannot reasonably be avoided; or (c) ~~the nuisance~~ is a consequence of the use of the authorised development and that it cannot be reasonably avoided. [Footnotes:] (a) 1974 c. 40. ~~Sections~~ Section 61(9) ~~and 65(8) were~~ was amended by section 162 of, and paragraph 15 of Schedule 3 to, the Environmental Protection Act 1990 (c. 25). There are other amendments to the 1974 Act which are not relevant to the Order.	reflect that Section 65 of the Environmental Protection Act 1990 has been repealed.	
Article 10 (Power to alter layout, etc., of streets)	(2) Without prejudice to the specific powers conferred by paragraph (1), but subject to paragraphs (3) and (4), the undertaker may, for the purposes of constructing, operating ~~or~~, maintaining, or decommissioning the authorised development, alter the layout of any street and, without limitation on the scope of this paragraph, the undertaker may— (a) alter the level or increase the width of any kerb, footway, cycle track or verge; and (b) make and maintain passing places. (3) The undertaker must restore any street that has been temporarily altered under this Order to the reasonable satisfaction of the street authority. (4) The powers conferred by paragraph (2) ~~may~~must not be exercised without the consent of the street authority, such consent to be in a form reasonably required by the street authority.	Amendment to clarify that the power to alter streets also applies for the purposes of decommissioning. Paragraph 10(4) – Clarification.	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(5) Paragraphs (3) and (4) do not apply where the undertaker is the street authority for a street in which the works are being carried out.		
Article 17 (Discharge of water)	(1) Subject to paragraphs (3), (4) and ~~(7)~~(8) the undertaker may use any watercourse or any public sewer or drain for the drainage of water in connection with the construction or maintenance or decommissioning of the authorised development and for that purpose may lay down, take up and alter pipes and may, on any land within the Order limits, make openings into, and connections with, the watercourse, public sewer or drain. (2) Any dispute arising from the making of connections to or the use of a public sewer or drain by the undertaker under paragraph (1) is to be determined as if it were a dispute under section 106 (right to communicate with public sewers) of the Water Industry Act 1991. (3) The undertaker must not discharge any water into any watercourse, public sewer or drain except with the consent of the person to whom it belongs whose consent may be given subject to terms and conditions as that person may reasonably impose. (4) The undertaker must not make any opening into any public sewer or drain except— (c) in accordance with plans approved by the person to whom the sewer or drain belongs; and (d) where that person has been given the opportunity to supervise the making of the opening. (5) Where the undertaker discharges water into, or makes any opening into, a watercourse, public sewer or drain belonging to or under the control of a drainage authority, the provisions of Part 3 of Schedule 15 (protective provisions) apply in substitution for the provisions of paragraphs (3) and (4).	Paragraph (5) added following discussions with the IDBs.	Deadline 2
Article 19 (Protective works to buildings)	(5) Before exercising— (a) a right under paragraph (1) to carry out protective works to a building; (b) a right under paragraph (3) to enter a building and land within its curtilage; (c) a right under paragraph (4)(a) to enter a building and land within its curtilage; or (d) a right under paragraph (4)(b) to enter land,	In response to comments made by the ExA in the ExA's First Written Questions.	Deadline 3

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
Article 24 (Compulsory acquisition of rights)	(1) Subject to paragraph (1) and article 31 (temporary use of land for constructing the authorised development), the undertaker may acquire compulsorily such rights over the Order land or impose such restrictive covenants over the Order land as may be required for any purpose for which that land may be acquired under article 21 (compulsory acquisition of land), by creating them as well as by acquiring rights already in existence. (2) Subject to the provisions of this paragraph, article 25 (private rights) and article 33 (statutory undertakers), in the case of the Order land specified in column 1 of the table in Schedule 9 (land in which only new rights etc. may be acquired) the undertaker's powers of compulsory acquisition are limited to the acquisition of existing rights and benefit of restrictive covenants over that land and the creation and acquisition of such new rights and the imposition of restrictive covenants for the purpose specified in relation to that land in column 2 of the table in that Schedule. (3) Subject to section 8 (other provisions as to divided land) and Schedule 2A (counter-notice requiring purchase of land) of the 1965 Act (as substituted by paragraph 5(8) of Schedule 10 (modification of compensation and compulsory purchase enactments for the creation of new rights and imposition of new restrictive covenants)), where the undertaker creates or acquires an existing right over land or the benefit of a restrictive covenant under paragraph (1) or (2), the undertaker is not required to acquire a greater interest in that land. (4) Schedule 10 has effect for the purpose of modifying the enactments relating to compensation and the provisions of the 1965 Act in their application in relation to the compulsory acquisition under this article of a right over land by the creation of a new right or the imposition of restrictive covenants. (5) In any case where the acquisition of new rights or imposition of a restriction under paragraph (1) or (2) is required for the purpose of diverting, replacing or protecting apparatus of a statutory undertaker, the undertaker may, with the consent of the Secretary of State, transfer the power to acquire such rights to the statutory undertaker in question. (6) The exercise by a statutory undertaker of any power in accordance with a transfer under paragraph (5) is subject to the same restrictions, liabilities and obligations as would apply under this Order if that power were exercised by the undertaker. (7) The undertaker may acquire rights or impose restrictive covenants in respect of the route options specified in column (1) of the table in Part 2 of Schedule 9 over the plots listed in column (2) or the plots listed in column (3) but not both. (8) Within 28 days of the undertaker serving a notice to treat under section 5 of the 1965 Act or making a declaration under section 4 of the 1981 Act to which paragraph (7) applies, the	Paragraphs (7) to (9) have been added to ensure that in the locations along the Cable Route Corridor where the Proposed Development will lay the cable in only one of two routing options, once the decision on routing is made, the land not chosen will be released from the potential use of compulsory acquisition powers. Paragraph (8) requires the landowners who do not receive the acquisition notice to be sent a notice that there land is no longer subject to compulsory acquisition. Paragraph (9) confirms that the land may still be	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	undertaker must notify the landowners of the plots listed in whichever of column (2) or column (3) does not contain the land subject to the notice or declaration that rights can no longer be acquired or restrictive covenants imposed in that land. (9) Nothing in paragraph (7) restricts the undertaker from taking temporary possession of the land identified in column (2) or column (3) of the table in Part 2 of Schedule 9 after a notice has been served or declaration has been made.	subject to temporary possession powers in recognition that temporary construction infrastructure, namely a haul road, is required to be located in one of the cable route options irrespective of whether cabling is laid along this route.	
Article 25 (Private rights)	(5) Any person who suffers loss by the extinguishment, cessation of effect or suspension of any private right or restrictive covenant under this article is entitled to compensation in accordance with the terms of section 152 (compensation in case where no right to claim in nuisance) of the 2008 Act to be determined, in case of dispute, under Part 1 of the 1961 Act.	Confirms that compensation is available where private rights cease to have effect, where they are inconsistent with the exercise of compulsory acquisition powers, and in circumstances where private rights are extinguished.	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
Schedules			
Schedule 1 (Authorised development)	**Work No. 1**— a ground mounted solar photovoltaic generating station with a gross electrical output capacity of over 100 megawatts including— (a) solar modules fitted to mounting structures; (b) DC electrical cabling and combiner DC boxes; (c) 33 kV switch rooms, conversion units including foundations, inverters, transformers, switchgear, and monitoring and control systems; and (d) electrical and communications cabling connecting Work No. 1(c) to Work No. 3.	To clarify the scope of works, whilst still falling within what has been assessed further to Chapter 2 of the Environmental Statement.	Deadline 2
	Work No. 2— an energy storage facility comprising— (a) battery energy storage system units each containing fire protection systems and components; (b) a structure protecting the battery energy storage cells comprised in Work No. 2(a) and ancillary equipment, being either one container or multiple containers joined to each other, mounted on ~~a reinforced concrete foundation slab or concrete piling~~foundations or on piles; (c) interconnection units including heating, ventilation and air conditioning or liquid cooling systems and temperature management either housed within the containers comprised in Work No. 2(b), attached to the side or top of each of the containers, or located separate from but near to each of the containers; (d) integrated conversion units including inverters, transformers, switchgear and energy management systems; (e) inverters, transformers, switchgear and energy management systems; (f) monitoring and control systems housed within a container with Work No. 2(c) or located separately in its own container or control room; (g) electrical and communications cabling including electrical cables connecting Work No. 2 to Work No. 3; (h) bunded impermeable surface or other form of containment system to manage surface water drainage;	To clarify scope of works, whilst still falling within what has been assessed further to Chapter 2 of the Environmental Statement.	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(i) water storage facility for the purposes of firefighting water supply; (j) bunded impermeable surface or other form of containment system and associated infrastructure to contain used firewater; and (k) a noise barrier.		
	Work No. 3— works in connection with onsite substations with works comprising— (a) an up to 275 kV substation, with associated transformer bays, feeder bays, transformers, switchgear buildings and ancillary equipment power quality and reactive power devices; (b) control building or container relay rooms with associated offices, storage and welfare facilities; (c) monitoring and control systems for Work Nos. 1, 2 and 3; (d) electrical and communications cabling including electrical cables connecting Work No. 1, 2 to Work No. 3; (e) maintenance compound including car parking; (f) electrical cabling; ~~and~~ (g) earthworks, including soil stripping and site levelling~~.~~; and (h) foundations.	To clarify scope of works, whilst still falling within what has been assessed further to Chapter 2 of the Environmental Statement.	Deadline 2
	In connection with and in addition to Work Nos 1 to 10, further associated development within the Order limits including— (a) fencing, gates, boundary treatment and other means of enclosure; (b) bunds, embankments, trenching, and swales; (c) works to the existing irrigation system and works to alter the position and extent of such irrigation system; (d) surface water drainage systems, storm water attenuation systems including storage basins, oil water separators, including channelling and culverting and works to existing drainage networks;	Correction.	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(e) electrical, gas, water, foul water drainage and telecommunications infrastructure connections, diversions and works to, and works to alter the position of, such services and utilities connections; (f) works to alter the course of, or otherwise interfere with, non-navigable rivers, streams or watercourses; (g) ramps, bridges and other means of access; (h) works for the provision of security and monitoring measures such as CCTV columns, lighting columns and lighting, cameras, ~~lighting~~lightning protection masts, weather stations, storage containers, communication infrastructure, and perimeter fencing;		
	In this Schedule— "conversion unit" means electrical equipment required to convert direct current power to alternating current; "energy storage" means equipment used for the storage of electrical energy; "inverter" means electrical equipment required to convert direct current power to alternating current; "mounting structure" means a frame or rack made of galvanised steel, anodised aluminium or other material designed to support the solar modules; "National Grid substation" means the existing 275kV substation at Monk Fryston, North Yorkshire, owned and operated by National Grid;	In response to comments made by the ExA in the ExA's First Written Questions.	Deadline 3
	Work No. 10B— creation of permissive paths for the exclusive use of pedestrian and cycle users comprising— (i) ramps, bridges and other means of access; (ii) fencing, gates, boundary treatment and other means of enclosure; (iii) signs, interpretation boards or any other information display board; (iv) facilities supporting use and enjoyment including bird hides; and (v) landscaping and biodiversity mitigation and enhancement measures including planting. **Work No. 10C**— creation of permissive paths for the exclusive use of pedestrian, cycle and equestrian users comprising— (i) ramps, bridges and other means of access;	Correction – added a comma after "signs".	Deadline 3

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(ii) fencing, gates, boundary treatment and other means of enclosure; (iii) signs, interpretation boards or any other information display board; (iv) facilities supporting use and enjoyment including bird hides; and landscaping and biodiversity mitigation and enhancement measures including planting.		
	Work No. 3— works in connection with onsite substations with works comprising— (a) an up to ~~275~~400 kV substation, with associated transformer bays, feeder bays, transformers, switchgear buildings and ancillary equipment power quality and reactive power devices; (b) control building or container relay rooms with associated offices, storage and welfare facilities; (c) monitoring and control systems for Work Nos. 1, 2 and 3; (d) electrical and communications cabling including electrical cables connecting Work No. 1, 2 to Work No. 3; (e) maintenance compound including car parking; (f) electrical cabling; (g) earthworks, including soil stripping and site levelling; and (h) foundations. **Work No. 4**— works to the National Grid substation to facilitate connection of the authorised development to the National Grid including population of the substation bay— (a) a ~~275~~400 kV 3-phase 4000 A circuit breaker for control and protection of the outgoing circuit serving the authorised development; (b) a 3-phase set of current transformers for protection of the new outgoing ~~275~~400 kV feeder circuit and the overlap with the National Grid system; (c) a 3-phase high accuracy metering current and voltage transformer assembly for commercial metering of the connection; (d) a 3-phase ~~275~~400 kV line disconnector/earth switch for isolation and earthing of the outgoing ~~275~~400 kV feeder circuit; (e) a 3-phase set of ~~275~~400 kV high voltage cable sealing ends and cables connecting the National Grid substation with Work No. 5;	To reflect NGESO's revised connections offer. Please refer to the Grid Connection Update submitted at Deadline 4 for further details.	Deadline 4

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(f) a 3-phase power quality ready capacitor voltage transformer; and (g) provision of a stand-alone building to house duplicate feeder protection systems, commercial metering systems, protection and control equipment and user remote control and data acquisition apparatus. **Work No. 5**— works in connection with electrical and communication cabling comprising works to lay electrical cables up to ~~275~~400 kV including— (a) laying electrical and communication cables connecting Work Nos. 2, 3 and 1(c) to Work No.4; (b) laying down of access tracks, ramps, footpaths, roads, including the laying and construction of drainage infrastructure, signage and information boards; (c) joint bays, link boxes, cable ducts, cable protection, joint protection, manholes, marker posts, underground cable marker, tiles and tape, communications chambers, fibre optic cables and lighting and other works associated with cable laying; (d) tunnelling, boring and drilling works; and (e) temporary construction and decommissioning laydown areas comprising— areas of hardstanding, compacted ground or track matting; car parking; area to store materials and equipment; site and welfare offices and workshops; security infrastructure including cameras, perimeter fencing and lighting; safety infrastructure to manage traffic when crossing roads or other obstacles; site drainage and waste management infrastructure (including sewerage); and electricity, water, waste water and telecommunications connections.		
Schedule 2 (Requirements)	**Requirement 1 (Commencement of the authorised development)** (1) The authorised development must not be commenced after the expiration of the applicable period.	Requirement to notify the relevant planning authority of the phasing of	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(2) No part of the authorised development may commence until a written scheme setting out the phase or phases of construction of the authorised development has been submitted to the relevant planning authority. (3) The written scheme submitted pursuant to sub-paragraph (2) must include a timetable for the construction of the phase or phases of the authorised development and a plan identifying the phasing areas. (4) The undertaker must notify the relevant planning authority within fourteen days of the date of final commissioning for a part or parts of the authorised development that the final commissioning of that part or parts has taken place.	construction has been added into Requirement 1, following submissions made during Issue Specific Hearing 1.	
	Requirement 3 (Community liaison group) (1) Prior to the commencement of the authorised development the undertaker must submit to the relevant planning authority for approval the terms of reference for a community liaison group whose aim is to facilitate liaison between representatives of people living in the vicinity of the Order limits and other relevant organisations in relation to the construction of the authorised development. (2) The community liaison group must be established prior to commencement of the authorised development and must be administered by the undertaker and operated in accordance with the approved terms of reference. (3) The community liaison group is to continue to meet until the first anniversary of the date of final commissioning of the authorised development unless otherwise agreed with the relevant planning ~~authorities~~authority.	In response to comments made by the ExA in the ExA's First Written Questions.	Deadline 3
	Requirement 4 (Detailed design approval) (1) No part of Work Nos. 1, 2 or 3 may commence until details of— (f) the layout; (g) scale;	Correction.	Deadline 3

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(h) proposed finished ground levels; (i) external appearances; (j) hard surfacing materials; and (k) vehicular and pedestrian access, parking and circulation areas, relating to that part have been submitted and approved by the relevant planning authority. (6) The details submitted must accord with the design parameters and commitments ~~document~~. (7) Each part of the authorised development must be carried out in accordance with the approved details for that part. (8) Work No. 5 must be carried out in accordance with the design parameters and commitments ~~document~~.		
	Requirement 8 (Biodiversity net gain) (1) No part of the authorised development may commence until a biodiversity net gain strategy for that part has been submitted to and approved by the relevant planning authority. (2) Any biodiversity net gain strategy submitted under this paragraph must include details of how the strategy will ~~contributed~~contribute to the securing of a minimum of 10 % biodiversity net gain in habitat units, a minimum of 10% biodiversity net gain in hedgerow units and a minimum of 10% biodiversity net gain in watercourse units for the authorised development during the operation of the authorised development, and the metric that has been used to calculate that those percentages will be reached.	Correction.	Deadline 3
	Requirement 9 (Fencing and other means of enclosure) (1) No part of the authorised development may commence until written details of all proposed temporary fences, walls or other means of enclosure, for that part have been submitted to and approved by the relevant planning authority. (2) No part of the authorised development may commence until written details of all permanent fences, walls or other means of enclosure for that part have been submitted to and approved by the relevant planning authority.	Clarification added in new sub-paragraph (3) that fencing required as part of the permitted preliminary works are not subject to separate approval. This	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(3) Sub-paragraph (1) does not apply to temporary fences, walls or other means of enclosure required as a result of permitted preliminary works.	fencing will be managed in accordance with the permitted preliminary works environmental management plan (see Requirement 12).	
	Requirement 9 (Fencing and other means of enclosure) (1) No part of the authorised development may commence until written details of all proposed temporary fences, walls or other means of enclosure, for that part have been submitted to and approved by the relevant planning authority. (2) No part of the authorised development may commence until written details of all permanent fences, walls or other means of enclosure for that part have been submitted to and approved by the relevant planning authority. (3) Sub-paragraph 0 does not apply to temporary fences, walls or other means of enclosure required as a result of permitted preliminary works. (4) The written details provided under sub-paragraph ~~(2)~~0 must be substantially in accordance with the design parameters and commitments ~~document~~.	Correction.	Deadline 3
	Requirement 10 (Surface and foul water drainage) (1) No part of the authorised development may commence until written details of the surface water drainage scheme and (if any) foul water drainage system for that part have been submitted to and approved by the relevant planning authority. (2) Any written details submitted under sub-paragraph (1) must be substantially in accordance with the outline drainage strategy.	To include the Environment Agency as a consultee following discussions with the Environment Agency.	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(3) Before approving the written details under sub-paragraph (1), the relevant planning authority must consult with the Environment Agency and Yorkshire Water or its successor in function as the relevant water undertaker. (4) Any approved surface water drainage scheme and (if any) foul water drainage system approved under sub-paragraph (1) must be implemented as approved.		
	Requirement 10 (Surface and foul water drainage) (1) No part of the authorised development may commence until written details of the surface water drainage scheme and (if any) foul water drainage system for that part have been submitted to and approved by the relevant planning authority. (2) Any written details submitted under sub-paragraph ~~(1)~~0 must be substantially in accordance with the outline drainage strategy. (3) Before approving the written details under sub-paragraph ~~(1)~~0, the relevant planning authority must consult with the Environment Agency, the drainage authority, and Yorkshire Water or its successor in function as the relevant water undertaker.	In response to comments made by the ExA in the ExA's First Written Questions.	Deadline 3
	Requirement 12 (Construction environmental management plan) (1) The permitted preliminary works must be carried out in accordance with the permitted preliminary works environmental management plan. (2) No part of the authorised development may commence until a construction environmental management plan for that part has been submitted to and approved by the relevant planning authority ~~and~~ in consultation with the Environment Agency. (3) Any construction environmental management plan submitted under this paragraph must be substantially in accordance with the outline construction environmental management plan. (4) Each part of the construction works associated with the authorised development must be carried out in accordance with the approved construction environmental management plan for that part.	Sub-paragraph (1) added to secure that permitted preliminary works are carried out in accordance with a new permitted preliminary works environmental management plan.	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
		The Environment Agency has been added as a consultee following discussions with the Environment Agency.	
	Requirement 13 (Operational environmental management plan) (1) Prior to the date of final commissioning for any part of the authorised development, an operational environmental management plan for that part must be submitted to and approved by the relevant planning authority in consultation with the Environment Agency. (2) Any operational environmental management plan submitted under this paragraph must be substantially in accordance with the outline operational environmental management plan. (3) Any operational environmental management plan approved under sub-paragraph (1) must be implemented as approved.	To include the Environment Agency as a consultee following discussions with the Environment Agency.	Deadline 2
	Requirement 16 (Public rights of way) (1) No part of the authorised development may commence until a public rights of way management plan for that part has been submitted to and approved by the relevant planning authority. (2) Any public rights of way management plan submitted under this paragraph must be substantially in accordance with the outline public rights of way management plan. (3) Before approving any public rights of way management plan the relevant planning authority shall consult with the relevant highway authority. (4) Any public rights of way management plan approved under sub-paragraph ~~(1)~~0 must be implemented as approved.	Correction.	Deadline 3

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(5) The permission for the public to make use of any permissive path listed within the public rights of way ~~and permissive paths~~ management plan ceases on the date of decommissioning for that part of the authorised development.		
	Requirement 19 (Decommissioning and restoration) (1) The date of decommissioning: (a) for each part of ~~the authorised development~~Work No. 1 must be no later than 60 years following the date of final commissioning~~.~~ for that part; and (b) with respect to the associated development in Work Nos. 2, 3, 5, 6, 7, 8, 9 and 10 must be no later than the date of decommissioning for the part of Work No. 1 to which such associated development relates, and where such associated development relates to more than one part of Work No. 1 must be no later than the latest date of decommissioning of the parts of Work No. 1 to which such associated development relates. (2) Unless otherwise agreed with the relevant planning authority, no later than 12 months prior to the date the undertaker intends to decommission any part of the authorised development, the undertaker must notify the relevant planning authority of the intended date of decommissioning for that part of the authorised development. (3) Unless otherwise agreed with the relevant planning authority, no later than ten weeks prior to the intended date of decommissioning of any part of the authorised development notified pursuant to sub-paragraph (2), the undertaker must submit to the relevant planning authority for that part a decommissioning environmental management plan for approval. (4) Any decommissioning environmental management plan submitted under this paragraph must be substantially in accordance with the outline decommissioning environmental management plan and must include a timetable for its implementation. (5) No decommissioning works must be carried out until the relevant planning authority has approved the decommissioning environmental management plan submitted in relation to those works, in consultation with the Environment Agency and the relevant highway authority. (6) Any decommissioning environmental management plan approved under sub-paragraph (5) must be implemented as approved.	Amendments to Requirement 19 ensure that the associated development cannot remain in place beyond the date of decommissioning date of the relevant part of Work No. 1. This provides certainty and prevents the operational lifetime of the authorised development being extended by later-commissioned associated development. The relevant highway authority has been added as a consultee following discussions with	Deadline 2

LOCATION	CHANGE	REASON FOR CHANGE	DEADLINE CHANGE WAS MADE AT
	(7) Within 28 days of any part of the authorised development permanently ceasing ~~to generate electricity on a~~in commercial ~~basis~~use, the undertaker must notify the relevant planning authority in writing of the date of decommissioning for that part. (8) This requirement is without prejudice to any other consents or permissions that may be required to decommission any part of the authorised development.	the National Highways. Sub-paragraph (7) now uses "commercial use" in recognition that the BESS does not generate electricity, but forms part of the commercial elements of the Proposed Development.	
	Requirement 17 (Soil management) (2) No part of the authorised development may commence until a soil resources management plan for that part has been submitted to and approved by the relevant planning authority, in consultation with Natural England.	In response to Natural England's request to be included as a consultee.	Deadline 4

	(2) In the event an application is made to discharge more than one consent, agreement or approval, this must be treated as though separate applications were made for the discharge of each consent, agreement or approval.	rather than being left to the discretion of the relevant planning authority. This amendment addresses concerns raised by National Highways in a manner that applies to all consultees identified in Requirements. Sub-paragraph (2) – To provide clarification that application for discharge of a requirement or other consent will be treated as separate applications, even if made at the same time.	
Paragraph 2 (Applications made under requirement)	(2) Where an application has been made to the relevant planning authority for any consent, agreement or approval required by a requirement, the relevant planning authority must give notice in writing to the undertaker of its decision on the application within a period of six weeks beginning with the later of— (a) the day immediately following that on which the application is received by the authority;	Clarification. Schedule 16 (Procedure for discharge of requirements)	(b) the day immediately following that on which further information has been supplied by the undertaker under paragraph 3; or (c) such longer period that is agreed in writing by the undertaker and the relevant planning authority.		
Paragraph 5 (Fees) **Schedule 16 (Procedure for discharge of requirements)**	(1) Where an application is made to the relevant planning authority for a discharge, a fee is to apply and must be paid to the relevant planning authority for each application. (2) The fee payable for each application under sub-paragraph (1) is as follows— (a) a fee of £2,535 for the first application for the discharge of each of the requirements 5, 6, 7, 8, 9, 11, 13, 14, 15, and 18~~ and 19~~; (b) a fee of £578 for each subsequent application for the discharge of each of the requirements listed in paragraph (a) and any application under requirement 5 in respect of the requirements listed in paragraph (a); and (c) a fee of £145 for any application for the discharge of— (i) any other requirements not listed in paragraph (a); (ii) any application under requirement 3 in respect of requirements not listed in paragraph (a); and (iii) any approval required by a document referred to by any requirement or a document approved pursuant to any requirement. (d) for the application for the discharge of requirement 19, the fee applicable at the time of that application for 'the carrying out of any operations not coming within any of the above categories' listed as item 11(2) of the table in Part 2 (Scale of Fees) of Schedule 1 to the Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) Regulations 2012 . (3) Any fee paid under this Schedule must be refunded to the undertaker within four weeks of— (a) the application being rejected as invalidly made; or (b) the relevant planning authority failing to determine the application within the relevant period in paragraph 2(2) unless— (i) within that period the undertaker agrees, in writing, that the fee is to be retained by the relevant planning authority and credited in respect of a future application; or	Amendment avoids fixing the fee for discharge of the decommissioning Requirement, linking it to the relevant fee schedule for discharge of planning conditions, in recognition that this Requirement will be discharged in some 60 years' time. 	(ii) a longer period of time for determining the application has been agreed pursuant to paragraph 2(2)(c) of this Schedule, as applicable.		
Schedule 16 (Procedure for discharge of requirements)	**Further information and consultation** 3.—(1) In relation to any application to which this Schedule applies, the relevant planning authority may request such reasonable further information from the undertaker as is necessary to enable it to consider the application. (2) In the event that the relevant planning authority considers such further information to be necessary and the provision governing or requiring the application does not specify that consultation with a requirement consultee is required, the relevant planning authority must, within ~~10~~15 working days of receipt of the application, notify the undertaker in writing specifying the further information required. (3) If the provision governing or requiring the application specifies that consultation with a requirement consultee is required, the relevant planning authority must issue the consultation to the requirement consultee within ~~5~~10 working days of receipt of the application, and must notify the undertaker in writing specifying any further information the relevant planning authority considers necessary or that is requested by the requirement consultee within ~~5~~10 working days of receipt of such a request and in any event within ~~15~~20 working days of receipt of the application (or such other period as is agreed in writing between the undertaker and the relevant planning authority).	To increase the time periods following North Yorkshire Council's response to EXQ1.	Deadline 4
