1 Introduction

1.1 Purpose of this document

- 1.1.1 This Land and Rights Negotiations Tracker (LRT) has been prepared on behalf of The Drovers Solar Farm Limited (the Applicant) to provide the details of each person with a landholding within the Order limits and explains the status of the negotiations with these affected persons in relation to the Development Consent Order (DCO) Application for the construction, operation, maintenance, and decommissioning of The Drovers Solar Farm (hereafter referred to as the Scheme).
- 1.1.2 In addition to landowners, the LRT sets out the land interests held by statutory undertakers in a separate table, enabling the status of negotiations with these statutory undertakers to be set out including progress made to agree the form of protective provisions to be included in the DCO.
- 1.1.3 This document has been updated at Deadline 1 to clarify updates to the introductory text, specifically Chapters 4 and 5. Further updates include the current status of the negotiations with these affected persons in relation to the Development Consent Order (DCO) capture any updates The document references have not been updated from the original submission. Please refer to the **Guide to the Application [APP/1.3.2]** for the list of current versions of documents.

2 Part 1 – Category 1 Interests (Owners, Occupiers, Lessees or Tenants)

- 2.1.1 **Part 1** of the LRT includes all category 1 owners identified with the **Book of Reference [APP/4.3]** where all acquisition of freehold land, permanent rights and temporary possession is required and the landowner is able to provide proof of title.
- 2.1.2 Where a land interest is identified within the **Book of Reference [APP/4.3]** as having an interest in respect of the subsoil beneath a public adopted highway, this interest has not been listed in this LRT as no voluntary property rights are being sought. These plots are included in respect of the relevant highways authority for completion, and engagement with the relevant highways authorities is ongoing as part of the DCO process.
- 2.1.3 Category 1 occupiers, lessees and tenants have also been included within the LRT. Typically, negotiations are ongoing with the freehold owner of the land for the rights required for the Scheme. The LRT sets out where this is the case for a given occupier, lessee or tenant.

3 Part 2 – Statutory Undertakers

- 3.1.1 **Part 2** of the LRT includes interests identified as a statutory undertaker within **Part 1** of the **Book of Reference [APP/4.3]** and provides commentary in respect of the protective provisions and any voluntary agreements being sought.

4 Part 3 – Crown Interests

- 4.1.1 **Part 3** of the LRT includes all Crown interests identified within the **Book of Reference [APP/4.3]** where acquisition of land and rights is required. No Crown interests were identified and therefore this has been excluded from the LRT.

5 Other Interests

- 5.1.1 The Applicant is not seeking to enter into any voluntary agreement with land owned by Category 3 interests identified in the **Book of Reference [APP/4.3]** that are located outside of the Order limits. After carrying out diligent inquiries and having carefully assessed the likely significant environmental effects of the proposed Scheme (i.e. based on the conclusions of the Environmental Statement), the Applicant does not consider that there is anyone with an interest outside of the Order limits that is eligible to make a claim under Part 1 of the Land Compensation Act 1973 or under section 152(3) of the PA 2008 and therefore this has been excluded from the LRT.

6 Section Notes

6.1.1 The Applicant also notes that this LRT should be read in conjunction with the following documents:

- **Land Plan [APP/2.2]**
- **Works Plan [APP/2.3]**
- **draft Development Consent Order (draft DCO) [APP/3.1]**
- **Book of Reference [APP/4.3]; and**
- **Statement of Reasons [APP/4.1].**
