Dear Jolyon

Planning Act 2008 – section 55

Application by East Pye Solar Limited for an order granting development consent for East Pye Solar project - Request for signposting information

Application Ref: EN0110014

Thank you for your letter of 24th March 2026. In respect of your request to clarify where details regarding Pulham Market Parish Council and Framingham Earl Parish Council may be listed in the Consultation Report, we can confirm the following:

- As a prescribed consultee under s42 of the Planning Act 2008 - and a parish hosting the PEIR Order Limits - Pulham Market Parish Council was formally notified of the consultation. All parishes notified under s42 are listed in **Appendix 7: Section 42 Consultation Materials**. That Appendix 7 includes the postal address of Pulham Market Parish Council, although the appendix incorrectly notes 'Pulham St Mary Parish Council' as being the recipient at that address. This is a typographical error, and the reference to Pulham St Mary Parish Council should be replaced by a reference to Pulham Market Parish Council.
- The Applicant has evidence to confirm receipt from Pulham Market Parish Council (as the correct recipient) and therefore notwithstanding the typographical error in the reporting, can confirm that adequate consultation was carried out.
- Framingham Earl Parish Council was not classified as a prescribed consultee for the statutory consultation as the parish did not host the PEIR Order Limits. Therefore, they did not receive postal notification and were not noted in the Consultation Report or relevant Appendices. There is therefore nothing to signpost here because the carrying out of adequate consultation did not require Framingham Earl Parish Council to be consulted at this stage.
- For the purposes of the subsequent Targeted Consultation, Framingham Earl Parish Council, Pulham Market Parish Council and Pulham St Mary Parish Council were all consulted, noting minor additions to the Order limits. Consultees for this consultation are listed in the 'Approach to Consultation Document' in **Appendix 9**. This document was shared with Host Planning Authorities in draft format, which noted Pulham Market and Pulham St Mary. The list was subsequently updated prior to start of the consultation with Framingham Earl Parish Council, who were added following further due diligence in relation to the final nature and number of changes. The Applicant has evidence to confirm that all consultees were notified.

We trust this adequately addresses the matters you have raised. If we can be of any further assistance, please do not hesitate to contact us using the details provided below.

Yours sincerely,

Project Development Manager
