

Submission ID: SD08C4BE5

I have just sent David Fine IPR [REDACTED] Catching The Light [Dunston Hall Annex D ISH1~ver2] as written representation. I would also like to speak briefly for about a minute. It'd be good if this could be during the 2pm Wed 16th Sept slot, since I've a [REDACTED] the next day, and what I'd like to say is more overall than detail. Hope this fits
