

I wish to oppose this application and highlight the lack of rigorous assessment and impact studies into the suitability of this application for the location. I wish to convey the perceptions and feelings raised to me by many of my constituents of a disregard and contempt for the needs and wellbeing of the community by the applicant.

Submission ID: S129E085F

I wish to oppose this application and highlight the lack of environmental and community impact assessments, the unsuitability of the site location, the lack of engagement with the local residents and community and lack of consideration for their mental and physical wellbeing.
