

Planning Act 2008

The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017

Certificate of compliance with regulation 16

I hereby certify that, in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 –

- (a) notice of the application was given to the persons identified under regulation 11; and
- (b) a copy of the accepted application, including the environmental statement and a map was given to the consultation bodies in accordance with regulation 16,

in relation to the application for an order to grant development consent for the Whitestone Solar Farm which is situated within the administrative areas of the City of Doncaster Council, Rotherham Metropolitan Borough Council, North East Derbyshire District Council and Derbyshire County Council, and comprises an area of approximately 1,488 hectares.

The Proposed Development comprises the construction, operation and maintenance, and decommissioning of a solar photovoltaic (PV) array electricity generating facility. The project includes solar PV panels, Battery Energy Storage System, onsite substations and associated grid connection infrastructure, which will allow for the generation and export of electricity to the new National Grid substation at Long Lane, Brinsworth.

(Completed certificate to be received by the Secretary of State no later than 10 working days after the deadline date stating the applicant has fulfilled all the requirements at (a) and (b)).
