Submission ID: S9011F666

Request a site visit if possible to view my land in Whitestone 1 that is marked on the map as [redacted] to see how this will affect an area on which my [redacted] are placed, OS grid reference [redacted] as cable route A will cut my land in half. Also, the loss of views and the service roads where site traffic and noise will badly affect the safety of my daily horse riding on my land. Also security cameras and lights will severely affect my freedom. This land can be reached via [redacted] on a private road that leads to [redacted]
