No.	Location	Grid reference	What to look at
6	Bridleway 14 – Arbour Lane towards Park Lane	Start: Firsby Hall Farm / Arbour Lane, SK 4942 9599 (449425, 395992) End: Park Lane, SK 5048 9543 (450482, 395431)	Route across the south of Whitestone 1.
7	Footpath 4 – Park Lane towards Clifton	Start: Park Lane, SK 5048 9543 (450482, 395431) Towards Clifton, Beacon Lane: SK 5182 9591 (451823, 395910)	Views east towards Beacon Hill and Clifton.
8	Conisbrough Cemetery – elevated views and proposed construction access	SK 5060 9783 (450607, 397833)	Elevated views south over Whitestone 1 and the A630 access.
9	Micklebring Grove / Sheffield Road – proposed construction access	SK 5033 9780 (450334, 397804)	The junction with the A630, opposite the north end of Park Lane.
10	Beech Grove, Conisbrough – views over Conisbrough Parks	SK 5054 9816 (450549, 398164)	Views from the residential edge of Conisbrough.
11	The Grazing Harts, Micklebring – views across the countryside	SK 5153 9471 (451537, 394711)	Views north and west across the countryside. Note - Private premises. Obtain the operator's agreement for inspection within the premises or grounds.
12	Footpath 16 viewpoint - towards Conisbrough village, castle and church	SK 51688 96233. Supplied coordinates: 53.46033, -1.22298.	Conisbrough village, castle and church to the right, with Conisbrough Parks to the left.

No.	Location	Grid reference	What to look at
13	Conisbrough Castle	SK 518 9891 – 53.48442. – 1.22368.	The relationship between the castle and the landscape of Whitestone 1. – Specifically, from top of Castle Keep looking south-east. See the view sign at the top of the Castle which explains that the rooftop once overlooked the lord's domain and specifically identifies the medieval deer park to the south, together with Conisbrough Mill on Kearsley Brook. It also records how surviving place names including Conisbrough Parks, Park Lane and Conisbrough Parks Farm continue to reflect the existence of that deer park. Site operated by English Heritage - Check opening hours, admission and accessibility if within the castle grounds.
14	Millennium Viewpoint, Micklebring	451413, 394792 Grid reference 51413 94792	Understand wider landscape effects from an established recreational viewpoint and whether the applicant's photographs adequately represent the extent of development visible across the Parks.
