I am sending this email on behalf of my wife Wendy Caroline Collins.

In the applicants latest updates in section PD1-007 Land and Rights Negotiations Tracker (Rev. 02) They state that my wife's agent DDM Agriculture has, and I quote. " Despite continued attempts to engage the applicant is yet to receive a substantive response from the affected persons agent regarding the proposed Heads of Terms. " Our agent is willing to negotiate with the applicant but can not get a guarantee of cost indemnity from them. As soon as he gets this guarantee he is instructed to negotiate.

Yours sincerely,

William Collins.
