### Section 51 Advice Log Version: 06 November 2025

There is a statutory duty under ['section 51 \(s51\) of the Planning Act 2008'](#) for The Planning Inspectorate to record the advice that it gives in relation to an application or potential application, and to make this publicly available.

This document comprises a record of the advice that has been provided by The Planning Inspectorate to the applicant (Kilnside Energy Park Limited) and their consultants during the pre-application stage. It will be updated by The Planning Inspectorate after every interaction with the applicant during which s51 has been provided. The applicant will always be given the opportunity to comment on The Planning Inspectorate's draft record of advice before it is published.

The applicant will use this advice log as the basis for demonstrating regard to s51 advice within the application.
