Dear Colin Turnbull

Planning Act 2008 – section 51

Application by LGF Projects Limited for an order granting development consent for the Lighthouse Green Fuels Project

Advice following issue of decision to accept the application for examination

On 16 October 2026 the Planning Inspectorate decided that the application for the above project satisfied the acceptance tests under section 55 of the Planning Act 2008 (PA2008). The Planning Inspectorate's acceptance checklist and the application documents have been published on the project page on the Find a National Infrastructure Project website.

In undertaking checks at the acceptance stage, the Planning Inspectorate has made some initial observations in relation to the application. This letter comprises advice to the applicant provided under section 51 of the PA2008 in respect of these initial observations. Please pay close attention to the advice set out in this letter and act on it accordingly.

There is a list of minor errors and omissions observed in relation to both the plans and several application documents set out in box 8 of the section 55 acceptance checklist.

It is advised that all of these minor errors and omissions are corrected before the commencement of the relevant representation period.

We trust you find this advice helpful, however if you have any queries on these matters please do not hesitate to contact our office using the contact details at the head of this letter.

Yours sincerely
