Each of these updated documents includes a Version History table which outlines the amendments that have been made by the Applicant since the previous version was submitted. Where applicable, these documents are provided in clean and tracked versions as requested in the Rule 6 Letter [PD-002].

The Navigation Document (**Document 1.4 (E)**) has been updated to reflect the above submissions.

The Applicant wishes to make the following observations by exception:

Management Plans

The Applicant is submitting a revised CEMP Appendix B Register of Environmental Actions and Commitments (REAC) to reflect the comments made by the Examining Authority on Action Point 19 (AP19) of the Action Points from Issue Specific Hearing – 14 September 2023 [EV-018]. As the layout of the REAC has changed significantly, a tracked version has not been submitted.

Should the ExA have any queries in relation to this letter, they are invited to contact Nuno Fernandes of Jacobs (nuno.fernandes@Jacobs.com) in the first instance.

Yours sincerely,
