To the Planning team.

The Aquind proposal must be finally refused in totality. So much public money has already been spent on a project that nobody wants and which will cause permanent environmental damage to Portsmouth and its environs as well as that elsewhere in Hampshire and France.

The MOD objection must be upheld and both issues of national security and energy security should be put ahead of a scheme which benefits no one other than foreign investors whose priority is making money.

Please ensure the Aquind proposal is finally deposited to the rejection bin where it belongs.

Yours sincerely

Jackie Collins
