**Subject:** Re: Aquind Interconnector submission

Dear Jake ,  
Thank you for your email. We noticed that LSA' s submission was published yesterday.  
Thank you for the quick publication.

We would also like to point out the threat undersea cables are under in the current political situation.

This was outlined today in the following article from the BBC:

[REDACTED]

Certainly of great importance for a decision making.

Regards,

Viola Langley  
LSA
