[You don't often get email from josiem52@aol.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

It's been refused once but it keeps coming back, we don't want it here, the government said it wants us to be more self sufficient so why is this even an option? It will devastate a lots of greenery around our area we have already lost a lot to housing and the upheaval to the road system will be catastrophic for our little island. Pleas put a stop to this once and for all.

Thank you

Josephine Chandler
