You don't often get email from [REDACTED]

please do NOT let Aquind ruin Portsmouth. This city has a lot to lose .
The ground they want to dig up to install it will ruin, wildlife flora, fauna. Peaceful parks of which we have but a few, will be destroyed. I have objected to this from the start and continue to do so.

We only have 3 roads on and off this island and the installation of this project would close one of them creating HAVOC.
