Notes

1. This plan is scaled at paper size A0, therefore any prints taken at smaller sizes will affect accuracy of the measurement units and should not be scaled against.

2. These plans show the Order Limits and potential locations for the works. Due to the need for future flexibility, National Grid will be applying for Order Limits and Limits of Deviation within its Development Consent Order, within which any final alignment would lie.

3. For further information on construction please refer to the construction section of the Environmental Statement.

4. Reference should be made to the Guide to the Plans (Document Ref 2.1) which provides further information on what the plans show.
