1. Introduction

1.1 Purpose of this document

- 1.1.1 This document has been prepared by the Applicant to set out the principal changes¹ made to the draft Development Consent Order (DCO) from the version submitted to the Planning Inspectorate on 27 March 2025 as part of the application for development consent (**Document 3.1(A)**) [APP-007].
- 1.1.2 This document is therefore submitted together with:
- (a) A revised draft DCO (**Document 3.1(CD)**) (clean); and
 - (b) A tracked version of the draft DCO showing all changes as between Revision B (**Document 3.1(B)**) [AS-012] and the new Revision C (**Document 3.1(C)**) [AS-043] and the new Revision D (**Document 3.1(D)**).
- 1.1.3 This document is a 'live' document and will be updated (on a consolidated basis) by the Applicant throughout the Examination.

1.2 Overview of changes made at Pre-Examination stage

- 1.2.1 Revision B of the draft DCO (**Document 3.1(B)**) was submitted at Pre-Examination stage in May 2025 following the Section 51 advice issued by the Planning Inspectorate. A further Revision C of the draft DCO (**Document 3.1(C)**) ~~is~~was submitted to update the draft DCO to include amendments requested by the Section 89 letter received from the Planning Inspectorate on 8 July 2025.
- 1.2.2 Revision D is submitted to update the draft DCO to include amendments requested by the Section 89 letter received from the Planning Inspectorate on 5 August 2025.
- 1.2.3 ~~4.2.2~~ Table 2.1 lists the principal changes made by the Applicant within Revision B of the draft DCO ~~and~~, table 2.2 lists the changes made by the Applicant within Revision C of the draft DCO, and table 2.3 lists the changes made by the Applicant within Revision D of the draft DCO.
- 1.2.4 ~~4.2.3~~ The changes made for the purpose of Pre-Examination fall into the following principal categories:
- a) Amendments made in response to Section 51 Advice received from the Planning Inspectorate on 23 April 2025;
 - b) Correction of certain typographical and other errors identified as part of the Applicant's own consistency checks;
 - c) Amendments requested by the Section 89 letter received from the Planning Inspectorate on 8 July 2025~~;~~ and

¹ This schedule does not include details of minor formatting changes or amendments relating to very minor typographical updates which do not affect the text of the draft DCO. All changes are shown in the tracked version of the draft DCO.

d) Amendments requested by the further Section 89 letter received from the Planning Inspectorate on 5 August 2025.

1. Article 2, Interpretation	A minor amendment has been made to correct the reference to the title of Schedule 1.	<p>(3) All distances, directions, levels and lengths referred to in this Order, are approximate. Distances between points on a work comprised in the authorised project are taken to be measured along that work. All distances for scheduled linear works referred to in this Order are measured along the centre line of the limits of deviation for that work. All pylon identification numbers set out in this Order are identified by reference to the work plans, and are subject to the limits of deviation for that work, such that the tower numbering and location of towers may adjust in accordance with the limits of deviation identified in article 5 (limits of deviation). Unless otherwise specified in Articlearticle 5 (limits of deviation) or Schedule 1 (authorised developmentproject), heights and depths in this Order or on the work plans are measured from the proposed final ground level.</p> <p>(6) References in this Order to numbered Works are references to the Works as numbered in Schedule 1 (authorised developmentproject).</p>	B
2. Article 5, Limits of deviation	A minor amendment has been made to update the paragraph cross-reference in Article 5(1).	<p>5. —(1) Subject to paragraph 44, in respect of the onshore and offshore electric line forming part of the authorised project for which it is granted development consent by paragraph (1) of article 3 (development consent etc. granted by the Order), the undertaker may—</p>	B
3. Article 8, Application of 1990 Act	A minor amendment has been made in Article 8(3) to keep the formatting of cross-referencing to relevant Acts consistent throughout the draft DCO.	<p>(3) In the exercise of the power under paragraphs (1) and (2) of article 11 (2) (street works) the undertaker is to be deemed to be the highway authority for the purposes of section 55(2)(b) (meaning of “development” and “new development”meaning of “development” and “new development”), of the 1990 Act.</p>	B
4. Article 10, Planning Permission	Correction of a minor typographical error in Article 10(3) to reflect that the provision is making reference to Article 10(1) and 10(3).	<p>(3) Any development or any part of a development within the Order limits which is constructed or used under the authority of a planning permission granted under section 57 of the 1990 Act, including permissions falling under sub-paragraphparagraph (1) or (3) or otherwise, is deemed not to be a breach of, or inconsistent with, this Order and will not prevent the authorised project being carried out or used or any other power or right under this Order being exercised.</p>	B
5. Article 12, Application of the Permit Scheme	Correction of a minor typographical error in Article 12(2) to ensure the correct cross reference is to the sub-paragraph, rather than paragraph.	<p>(c) a permit may not be refused where the proposed reason for refusal is the inability to impose a condition which will not comply with paragraphsub-paragraph (b); and</p>	B

6. Article 13, Application of 1991 Act	Minor typographical corrections in Article 13(4) and 13(5) to ensure that article and section titles are accurately referenced, and to avoid unnecessary repetition in paragraph 4(a).	<p>(4) The following provisions of the 1991 Act do not apply in relation to any works executed under article 12 (application of the Permit Schemes<u>Scheme</u>) of this Order—</p> <p>(a) Article 12 (application of the Permit Schemes) of this Order—</p> <p><u>(a)</u> (b) section 53 (the street works register);</p> <p><u>(b)</u> (e) section 54 (advance notice of certain works);</p> <p><u>(c)</u> (d) section 55 (notice of starting date of certain works);</p> <p><u>(d)</u> (e) section 57 (notice of emergency works); and</p> <p><u>(e)</u> (f) section 66 (avoidance of unnecessary delay or obstruction).</p> <p>(5) The provisions of the 1991 Act mentioned in paragraph (6) (which, together with other provisions of that Act, apply in relation to the carrying out of street works) and any regulations made, or code of practice issued or approved under those provisions, apply (with necessary modifications) in relation to any stopping up, alteration or diversion of a street of a temporary nature by the undertaker under the powers conferred by article 15 (temporary stopping-up<u>closure</u> of streets and public rights of way <u>and permissive paths</u>) whether or not the stopping up, alteration or diversion constitutes street works within the meaning of that Act.</p>	B
7. Article 15, Temporary closure of streets and public rights of way and permissive paths	Minor typographical corrections in Article 15(1) and 15(4) to ensure that the plans are correctly and fully named.	<p>15.—(1) During and for the purposes of carrying out the authorised project, the undertaker may temporarily close, alter or divert any street, public right of way or permissive path shown on the Access-and<u> and Public Rights of Navigation</u> Plans or within the Order limits and may for any reasonable time—</p> <p>(a) divert the traffic from the street or public right of way; and</p> <p>(b) subject to paragraph (3), prevent all persons from passing along the street, public right of way or permissive path.</p> <p>(4) Without limitation on the scope of paragraph (1), the undertaker may temporarily close, alter or divert the streets, public rights of way or permissive path specified in columns (1) and (2) of Parts 1 and 2 of Schedule 8 (streets-or<u> and permissive paths</u> to be temporarily closed) to the extent specified, by reference to the letters and numbers shown on the Access-and<u> and Public Rights of Navigation</u> Plans, in column (3) of that Schedule, and, if it does so in respect of a street, public right of way or permissive path specified in Part 1 of Schedule 8, must provide the temporary diversion as specified in column (4) of that Part.</p> <p>(5) The undertaker must not temporarily close, alter or divert—</p> <p>(a) any street, public right of way or permissive path specified as mentioned in paragraph (4) without first consulting the street authority; or</p> <p>(b) any other street, public right of way or permissive path without the consent of the street authority (such consent not to be unreasonably withheld or delayed) which may attach reasonable conditions to any consent.</p> <p>(6) Where the undertaker provides a temporary diversion under paragraph (4), the temporary alternative route is not required to be of a higher standard than the temporarily closed street or public right of way in columns (1) and (2) of Parts 1 and 2 of Schedule 8 (streets-or<u> and permissive paths</u> to be temporarily closed).</p>	B
8. Article 16, Permanent stopping up	Minor typographical amendment in Article		B

of streets and public rights of way	16(1) to ensure that the cross-reference wording is consistent with the title of Schedule 7.	16.— (1) Subject to the provisions of this article, the undertaker may, in connection with the carrying out of the authorised project, stop up each of the streets and public rights of way specified and described in column (1) and (2) of Schedule 7 (permanent stopping-up-of-streets and public rights of way <u>to be permanently stopped up</u>) to the extent specified in column (3) of that Schedule.	
9. Article 17, Access to works	Minor amendment to correct the cross-referencing to the schedule as Schedule 9 does not list the purposes in column (3).	17.— (1) The undertaker may, for the purposes of the authorised project— (a) form and lay out means of access, or improve existing means of access, in the location specified in column (2) of Schedule 9 (access to works) for the purposes specified in column (3) of Schedule 9; and (b) with the consent of the relevant planning authority (such consent not to be unreasonably withheld or delayed) after consultation with the relevant highway authority, form and lay out such other means of access or improve existing means of access, at such locations within the Order limits as the undertaker reasonably requires for the purposes of the authorised project.	B
10. Article 20, Discharge of water	Two minor amendments have been made in Article 20(10) and (11) to ensure that the cross-references are correct.	(10) Any application for consent under paragraph (3) or approval under sub-paragraph <u>(4)(a)</u> must include a statement that the provisions of paragraph (9) apply to that application. (11) If an application for consent under paragraph (3) or approval under sub-paragraph <u>(4)(a)</u> does not include the statement required under paragraph (10) then the provisions of paragraph (9) will not apply to that application.	B
11. Article 21, Protective works	A minor correction in Article 21(3) to reflect that the Bramford to Twinstead Correction Order.	(3) For the purpose of determining how the functions under this article are to be exercised, the undertaker may enter and or survey—	B
12. Article 25, Compulsory acquisition of rights	Correction of two minor cross-referencing errors in Article 25(3) and 25(4).	(3) Subject to section 8 (other provisions as to divided land) of the 1965 Act as substituted by Schedule <u>9</u> 10 (modification of compensation and compulsory purchase enactments for creation of new rights) to this Order, where the undertaker acquires a right over land or imposes a restriction under paragraph (1), the undertaker is not required to acquire a greater interest in that land. (4) Schedule <u>9</u> 10 to this Order has effect for the purpose of modifying the enactments relating to compensation and the provisions of the 1965 Act in their application in relation to the compulsory acquisition under this article of a right over land by the creation of a new right or the imposition of a restriction. project	errors in Article 27(3)(a) and 27(5)(c).	<p>(3) The undertaker may not, without the agreement of the owners of the land, remain in possession of any land under this article—</p> <p>(a) in the case of land referred to in sub-paragraph (1)(a)(i), after the end of the period of one year beginning with the date of completion of the part of the authorised project specified in relation to that land in column (3) of Schedule 40<u>11</u>, or</p> <p>(b) in the case of land referred to in sub-paragraph (1)(a)<u>(ii)</u>, after the end of the period of one year beginning with the date of completion of the work for which temporary possession of the land was taken unless the undertaker has, by the end of that period, served a notice of entry under section 11 of the 1965 Act or made a declaration under section 4 of the 1981 Act in relation to that land.</p> <p>(c) restore the land on which any works have been carried out under paragraph (1) insofar as the element of works shown in column (4) of Schedule 40<u>11</u> is concerned;</p>	
14. Article 40, Extinguishment of private rights and restrictive covenants relating to apparatus belonging to National Grid removed from land subject to temporary possession	Correction of minor typographical errors in Article 40(3) to ensure that the cross-referencing format is consistent, as well as the inclusion of the article title to ensure naming conventions are followed throughout the draft DCO.	<p>(3) The extinguishment of rights by paragraph (2) does not give rise to any cause of action relating to the presence on or in the land of any foundations (save for those which lie less than 1.5 metres underground) referred to in article 27(4)(a)(ii) and 27(6)(c) or of article 27 (5)(d) or 27(6)(d) temporary use of land by for carrying out the authorised project (National Grid is not required to remove foundations when giving up temporary possession).</p>	B
15. Article 50, Traffic regulation	Correction of minor typographical errors in Article 50(a), (b) and (c) to ensure the correct columns are cross-referenced.	<p>50.—(1) Subject to the provisions of this article, the undertaker may at any time for the purposes of the authorised project or for purposes ancillary to the construction or maintenance of the authorised project —</p> <p>(a) prohibit waiting of vehicles and regulate vehicular speed by imposing a speed restriction on vehicles in the manner specified in Part 1 of Schedule 13 (traffic regulation orders) on a road specified in column (42) and along the lengths and between the points specified in column (23) in the manner specified in column (34) of that Part of that Schedule;</p> <p>(b) prohibit use of roads by through traffic in the manner specified in Part 42 of Schedule 13 (traffic regulation orders) on the roads specified in column (42) and along the lengths and between the points specified in column (23) in the manner specified in column (34) of that Part of that Schedule;</p> <p>(c) regulate the direction of vehicular movements in the manner specified in Part 53 of Schedule 13 (traffic regulation orders) on the roads specified in column (42) and along the lengths and between the points specified in column (23) in the manner specified in column (34) of that Part of that Schedule;</p>	B
16. Article 55, Procedure regarding certain approvals etc.	This amendment reflects that the appeals process in Schedule 4 applies to any documents referred to under other provisions of the Order, in addition to the Requirements.	<p>(2) Schedule 4 (discharge of Requirements) has effect in relation to all consents, agreements or approvals granted, refused or withheld in relation to the Requirements, and any document referred to in any Requirement<u>requirement, and any other provisions of this Order.</u></p>	B
