

The Issue Specific Hearings of w/c 26 January 2026 and w/c 23 February 2026 will coincide with National Grid Venture's Lion Link Statutory Consultation. It is vital that Saxmundham Town Council participates in both and we would request that the hearings are either brought forward or postponed to a later date.

Saxmundham Town Council would like to raise an issue concerning the dates of the Issue Specific Hearings reserved for w/c 26 January and w/c 23 February 2026. These dates coincide with National Grid Venture's Lion Link Statutory Consultation. This will be detrimental in our Town being fully engaged with the ISH's and we would request that the Examiner review the issue to find resolution that is suitable for all parties.
