Dear Sir/ Madam,

This letter provides Five Estuaries Offshore Wind Farm Ltd (VEOWFL) response to the Examining Authority's Written Questions 1 (ExQ1) of the Sea Link examination.

In relation to question 10SU1, we do not deem it necessary to include cable crossing agreements within Table 2.1 of the Consents and Agreements Position Statement [APP-010]. We are pleased to provide an update that we are actively in discussions for a cable crossing agreement with the Applicant. We are aiming for the VEOWFL cable crossing agreement with Sea Link to be in place by the end of the Sea Link Examination.
