

I am writing to voice my concerns over the loss of wildlife habitat at this special place - also the loss flora and fauna and the damage to the rare saltmarsh which attracts lots of wintering birds from all over the world as well as the local wildlife and loss of a local

Amenity which is widely used by the public for such things as dog walking and bird watching and photography- also the impact to the local area / Thanet is fast losing its green spaces soon there will be none left for future generations to enjoy
