

We refer to Deadline 4 today, which is the deadline for Interested Parties to submit comments on the information published pursuant to Deadline 3. As set out in SGN's Written Representation, SGN requires protective provisions, in a form acceptable to them, to be included within the Development Consent Order. Discussions have been ongoing between the Promoter and SGN, with progress taking place. Taking this fact into account, and in the interests of efficiency, SGN is therefore providing this brief update to the Examination on the status of its discussions with the Promoter in lieu of a formal written submission. Should discussions not reach a satisfactory conclusion to protect SGN's assets and its undertaking then SGN reserves the right to make further submissions during the Examination.
