10 March 2026

Dear Examination Authority,

Application by National Grid Electricity Transmission (NGET) for an order granting development consent for the South East Anglia Link (Sea Link) Project

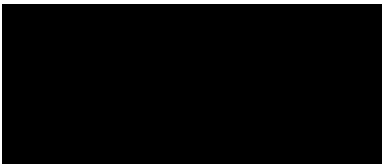

Examination Authority's second written questions issued on 25 February 2026. Deadline 5, 10 March 2026.

Thank you for the opportunity to respond to the Examining Authority's second written questions at Deadline 5 (10 March 2026). Please find attached table of responses from the Maritime and Coastguard Agency (MCA).

The MCA is the National Competent Authority for the SUNK Vessel Traffic Services (VTS) appointed by DfT under SOLAS Chapter V - Regulation 12 and His Majesty's Coastguard (HMCG) has responsibility for the day-to-day operation of Sunk VTS. Master Mariners, SUNK VTS operators and representatives of the UK Maritime Services Navigation have contributed to the responses in the attached table.

We hope this is helpful to the Examination Authority.

Yours faithfully,

Marine Licensing and Offshore Consenting Manager
Marine Safety and PNT Services
