

**Application by National Grid Electricity Transmission for an Order Granting Development Consent for the Sea Link project**

**Examiner's Written Questions, ExQ3: 23 March 2026 – Deadline 6: 13 April 2026**

**Interested Party: Saxmundham Town Council, [REDACTED]**

**ExQ3 – 3TT9: HGV cap for the B1121 and B1119 junction**

Saxmundham Town Council considers a daily cap of 10 HGV movements at the traffic light controlled junction to be acceptable assuming that:

- As far as possible, the movements avoid peak traffic hours
- That the movements are evenly distributed during the working day
- That the Applicant instigates a monitoring system to ensure that movements are maintained at ten per day and:
- By exception that the Applicant has a system to advise the local authorities if, there is any reason that the limit of ten HGVs per day would be exceeded
