Dear Sirs and Madams

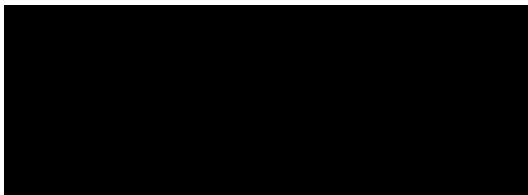

Deadline 7 response

We write on behalf of our client, RiverOak Strategic Partners (“RiverOak”) to provide an update on matters it has previously raised.

In response to Deadline 5, RiverOak provided an update to the Examining Authority confirming that it had met with the Applicant and that it envisaged entering into a separate side agreement in relation to the interface between the Sea Link and the Manston Airport projects. The Applicant very recently (a week ago) shared a draft agreement with RiverOak and RiverOak are actively considering its terms. RiverOak remains of the view that an agreement is needed in order to protect its interests under the consented Manston Airport Order and, despite seemingly positive progress, until an agreement is concluded it maintains its objections.

RiverOak confirms that it will provide a response to the Applicant as soon as possible, but we also urge the Examining Authority to direct the Applicant to ensure that an agreement with RiverOak is completed as soon as possible.

Yours sincerely
