Sea Link Project (the "Project")
Application Ref: EN020026
Deadline 7 submission for East Anglia Three Limited

Dear Sir/Madam

1. Closing statement

1. We refer to the above Project and confirm we are instructed by East Anglia THREE Limited.
2. East Anglia THREE Limited ("**EA3L**") was granted development consent order ("**DCO**") on 7 August 2017 for the East Anglia THREE Offshore Wind Farm ("**EA3**"). EA3 submitted a written representation in respect of the Project at deadline 1, which was accepted by the examining authority [REP1-188].
3. This document contains EA3L's closing statement in respect of the examination. EA3L has participated in the examination of the Project in order to ensure the potential interface between the Project and EA3 is managed appropriately, as outlined in EA3L's previous submissions [REP1-188, REP4-181, REP5-188].
4. EA3L submitted a suite of protective provisions at examination deadline 5 [REP5-188], which it considers would appropriately manage the interface ("**Protective Provisions**"). EA3L has been engaged in negotiations with the Applicant in respect of these Protective Provisions and is pleased to advise that the Protective Provisions are now agreed. The Applicant has confirmed that the updated Protective Provisions are reflected in the updated Development Consent Order to be submitted by the Applicant at Deadline 7. EA3L confirms that, if accepted by the Secretary of State, the Protective Provisions would resolve EA3L's concerns in respect of the Project.

Yours faithfully

For and on behalf of Shepherd and Wedderburn LLP
