Dear Sea Link Planning Inspectors and Case Team,

On behalf of SEAS, we would like to thank you for the time and careful attention you have given throughout the Sea Link examination process. As the examination now closes, we recognise the considerable effort involved in reviewing the extensive documentation and hearing from all interested parties.

As you move into the forthcoming three-month deliberation period, we wish you well in your work. We hope this stage allows for thorough and balanced consideration of the evidence presented, including the concerns raised by local communities and stakeholders.

Yours faithfully,

The SEAS Team
