Dear Secretary Of State,

Please see attached photos of my artwork at the rspb site where these proposed cables make landfall.

Our area has been absolutely devastated this past couple of years, from Sizewell C works and now the beginnings of the windfarm infrastructure.

It infuriates me that we couldn’t have been more forward thinking about this and that unjoined up thinking has landed us in this tragic situation. It’s not too late to look at the other people’s sites instead..cheaper and faster.

Please review these devastating plans!

Yours Sincerely
Emma Hegarty
