[You don't often get email from [redacted]com. Learn why this is important at https://aka.ms/LearnAboutSenderIdentification]

To whom it may concern.

I strongly object to this building. Pegwell Bay is a nature reserve with delicate wildlife eco structure.

An alternative site must be found as the loss of our national environment and habitats for the birds is more important than any cost involved.

The site has ALREADY been assessed as important hence its status so this is not up for debate.

Yours sincerely

Conor Masterson
