The Health Protection Agency	All proposed applications likely to involve chemicals, poisons or radiation which could potentially cause harm to people	Y	UK Health Security Agency	Consulted as the relevant Health Protection Agency as the application is likely to involve chemicals, poisons or radiation which could potentially cause harm to people and likely to affect significantly public health	Y
The relevant local resilience forum	All cases	Y	Essex Resilience Forum	Consulted as the relevant local resilience forum	N
		Y	Norfolk Resilience Forum	Consulted as the relevant local resilience forum	N

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
		Y	Suffolk Resilience Forum	Consulted as the relevant local resilience forum	N
Relevant statutory Undertakers	All proposed applications likely to affect their functions as statutory undertakers	Y	Affinity Water	Consulted as relevant water and sewage undertaker	N
		Y	Anglian Water	Consulted as relevant water and sewage undertaker	Y
		Y	Essex and Suffolk Water	Consulted as relevant water and sewage undertaker	N
		Y	Northumbrian Water	Consulted as relevant water and sewage undertaker	N
		Y	Cadent Gas Limited	Consulted as relevant public gas transporter	Y
		Y	Northern Gas Networks	Consulted as relevant public gas transporter	N
		Y	Scotland Gas Networks Plc	Consulted as relevant public gas transporter	N
		Y	Southern Gas Networks Plc	Consulted as relevant public gas transporter	N
		Y	Wales and West Utilities Ltd	Consulted as relevant public gas transporter	N

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
		Y	Energy Assets Pipelines Limited	Consulted as relevant public gas transporter	N
		Y	ES Pipelines Ltd	Consulted as relevant public gas transporter	N
		Y	ESP Connections Ltd	Consulted as relevant public gas transporter	N
		Y	ESP Networks Ltd	Consulted as relevant public gas transporter	N
		Y	Fulcrum Pipelines Limited	Consulted as relevant public gas transporter	N
		Y	GTC Pipelines Limited	Consulted as relevant public gas transporter	Y
		Y	Harlaxton Gas Networks Limited	Consulted as relevant public gas transporter	N
		Y	Independent Pipelines Limited	Consulted as relevant public gas transporter	N
		Y	Indigo Pipelines Limited	Consulted as relevant public gas transporter	N
		Y	Last Mile Gas Ltd	Consulted as relevant public gas transporter	N
		Y	Leep Gas Networks Limited	Consulted as relevant public gas transporter	N

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
		Y	Quadrant Pipelines Limited	Consulted as relevant public gas transporter	N
		Y	Squire Energy Limited (now Stark Energy)	Consulted as relevant public gas transporter	N
		Y	National Grid Gas Plc	Consulted as relevant public gas transporter	N
		Y	Eclipse Power Network Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Energy Assets Networks Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	ESP Electricity Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Fulcrum Electricity Assets Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Harlaxton Energy Networks	Consulted as relevant electricity distributor with CPO powers	N
		Y	Independent Power Networks Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Indigo Power Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Last Mile Electricity Ltd	Consulted as relevant electricity distributor with CPO powers	N

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
N/A	N/A	Y	Leep Electricity Networks Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Mua Electricity Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	The Electricity Network Company Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	UK Power Distribution Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Utility Assets Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Vattenfall Networks Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	Eastern Power Networks Plc	Consulted as relevant electricity distributor with CPO powers	N
		Y	London Power Networks Plc	Consulted as relevant electricity distributor with CPO powers	N
		Y	UK Power Networks Limited	Consulted as relevant electricity distributor with CPO powers	N
		Y	National Grid Electricity Transmission Plc	Consulted as relevant electricity transmitter with CPO Powers	N
		Y	National Grid Electricity System Operator Limited (now the National Energy System Operator)	Consulted as relevant electricity transmitter with CPO Powers	N

<b>Consultee</b>	<b>Circumstances when consultees must be consulted</b>	<b>Consulted Y or N</b>	<b>Organisation/Contact</b>	<b>Reason for inclusion/exclusion</b>	<b>Responded to the Statutory Consultation Y or N</b>
The Crown Estate Commissioners	All proposed applications likely to impact on the Crown Estate	Y	The Crown Estate	Consulted as the application is likely to impact on the Crown Estate	N
The Forestry Commission	All proposed applications likely to affect the protection or expansion of forests and woodlands in England or Scotland	Y	Forestry Commission	Consulted as the proposed application is likely to affect the protection or expansion of forests and woodlands in England	Y

## Section 42(1)(a) Consultee List in line with the APFP schedule after 30 April 2024

The table below includes the list of consultees from the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2024 No. 332 [Schedule](#) (to be substituted for the Table in Schedule 1 to the 2009 Regulations above).

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
<b>Government</b>					
The Welsh Ministers (Welsh Government)	All proposed applications likely to affect land in Wales	N		Not consulted as the application is not likely to affect land in Wales	
The Scottish Executive (Scottish Government)	All proposed applications likely to affect land in Scotland	N		Not consulted as the application is not likely to affect land in Scotland	
The relevant Northern Ireland Department	All proposed applications likely to affect land in Northern Ireland	N		Not consulted as the application is not likely to affect land in Northern Ireland	
The Secretary of State for Defence	All proposed applications likely to affect the current or future operation of a site identified in a safeguarding map and all	Y	Ministry of Defence	Consulted as application could affect the current or future operation of a site identified in a safeguarding map and all developments in the marine area	Y

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
The relevant parish council, or, where the application relates to land in Wales or Scotland the relevant community council	developments in the marine area				
	All proposed applications	Y	Ashwellthorpe and Fundenhall Parish Council	Consulted as a relevant Parish Council	N
		Y	Bracon Ash Parish Council	Consulted as a relevant Parish Council	N
		Y	Bressingham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Bunwell Parish Council	Consulted as a relevant Parish Council	Y
		Y	Carleton Rode Parish Council	Consulted as a relevant Parish Council	Y
		Y	Flordon Parish Council	Consulted as a relevant Parish Council	Y
		Y	Forncett Parish Council	Consulted as a relevant Parish Council	Y
		Y	Heywood Parish Council	Consulted as a relevant Parish Council	Y
		Y	Mulbarton Parish Council	Consulted as a relevant Parish Council	N
		Y	Newton Flotman Parish Council	Consulted as a relevant Parish Council	N

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
		Y	Roydon Parish Council	Consulted as a relevant Parish Council	Y
		Y	Shelfanger Parish Council	Consulted as a relevant Parish Council	Y
		Y	Swainsthorpe Parish Council	Consulted as a relevant Parish Council	Y
		Y	Swardeston Parish Council	Consulted as a relevant Parish Council	N
		Y	Stoke Holy Cross Parish Council	Consulted as a relevant Parish Council	N
		Y	Tacolneston Parish Council	Consulted as a relevant Parish Council	Y
		Y	Tharston and Hapton Parish Council	Consulted as a relevant Parish Council	Y
		Y	Tibenham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Winfarthing Parish Council	Consulted as a relevant Parish Council	Y
		Y	Badley Parish Council	Consulted as a relevant Parish Council	Y
		Y	Barking Parish Council	Consulted as a relevant Parish Council	Y

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
		Y	Battisford Parish Council	Consulted as a relevant Parish Council	N
		Y	Bramford Parish Council	Consulted as a relevant Parish Council	N
		Y	Cotton Parish Council	Consulted as a relevant Parish Council	Y
		Y	Creting St. Peter Parish Council	Consulted as a relevant Parish Council	Y
		Y	Earl Stonham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Finningham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Gipping Parish Council	Consulted as a relevant Parish Council	Y
		Y	Gislingham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Great Bricett Parish Council	Consulted as a relevant Parish Council	Y
		Y	Little Blakenham Parish Council	Consulted as a relevant Parish Council	N
		Y	Mellis Parish Council	Consulted as a relevant Parish Council	Y

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
		Y	Mendlesham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Offton Parish Council	Consulted as a relevant Parish Council	Y
		Y	Palgrave Parish Council	Consulted as a relevant Parish Council	Y
		Y	Ringshall Parish Council	Consulted as a relevant Parish Council	Y
		Y	Somersham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Stowupland Parish Council	Consulted as a relevant Parish Council	Y
		Y	Wickham Skeith Parish Council	Consulted as a relevant Parish Council	Y
		Y	Wortham and Burgate Parish Council	Consulted as a relevant Parish Council	Y
		Y	Willisham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Burstall Parish Council	Consulted as a relevant Parish Council	Y
		Y	Chattisham Parish Council	Consulted as a relevant Parish Council	Y

Consultee	Circumstances when consultees must be consulted	Consulted Y or N	Organisation/Contact	Reason for inclusion/exclusion	Responded to the Statutory Consultation Y or N
		Y	Copdock and Washbrook Parish Council	Consulted as a relevant Parish Council	Y
		Y	Higham Parish Council	Consulted as a relevant Parish Council	N
		Y	Hintlesham Parish Council	Consulted as a relevant Parish Council	Y
		Y	Holton St. Mary Parish Council	Consulted as a relevant Parish Council	Y
		Y	Raydon Parish Council	Consulted as a relevant Parish Council	N
		Y	Sproughton Parish Council	Consulted as a relevant Parish Council	Y
		Y	Stoke-by-Nayland Parish Council	Consulted as a relevant Parish Council	N
		Y	Stratford St.Mary Parish Council	Consulted as a relevant Parish Council	Y

# **Appendix F3.1**

## Consultation Launch

10 April 2024

Dear Sir / Madam

**Statutory Consultation for Norwich to Tilbury: 12:00 noon on Wednesday 10 April 2024 until 11:59pm on Tuesday 18 June 2024**

**Section 42 Planning Act 2008 (as amended): Duty to consult on a proposed application.**

**The Infrastructure Planning (Applications and Prescribed Forms and Procedure) Regulations 2009 (as amended) (the “APFP Regulations”)**

**Notification under Regulation 13 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (as amended) (the “EIA Regulations”)**

National Grid Electricity Transmission plc (“National Grid”) writes in relation to the launch of a statutory consultation in accordance with sections 42, 44, 47 and 48 of the Planning Act 2008 (the “Act”) for the project called Norwich to Tilbury (“the Project”). The consultation starts at **12:00 noon on Wednesday 10 April 2024 and runs until 11:59pm on Tuesday 18 June 2024.**

The Project is a proposal by National Grid to upgrade the electricity transmission system in East Anglia between Norwich and Tilbury. The Project includes a new 400 kilovolt (“kV”) electricity transmission connection of approximately 184 kilometres (“km”) in overall length from Norwich Main Substation and Tilbury Substation via Bramford Substation, comprising:

- approximately 159 km of new overhead line supported on approximately 510 steel lattice pylons (approximately 50 metres (“m”) in height) some of which are gantries (typically up to 15 m in height) within proposed Cable Sealing End (“CSE”) compounds, or existing or proposed substations
- approximately 25 km of 400 kV underground cabling some of which is located through the Dedham Vale National Landscape (formerly known as Dedham Vale AONB)
- six new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables
- a new 400 kV East Anglia Connection Node (“EACN”) substation, with a new permanent access, on the Tendring Peninsula. This is proposed to be an Air Insulated Switchgear (“AIS”) substation
- substation extension works at the existing Norwich Main, and Bramford substations and works within the existing Tilbury Substation to connect and support operation of the new transmission connection
- temporary works associated with construction of the Project.

An alternative design at the Waveney Valley (referred to as the Waveney Valley Alternative) is also being considered and is the subject of consultation and ongoing assessment. This design alternative, if taken forward, would result in changes those elements of the Project set out below. This would instead comprise:

- installation of approximately 157 km of new 400 kV overhead line.
- installation of approximately 27 km of 400 kV underground cabling (some of which is located through the Dedham Vale National Landscape).
- eight new CSE compounds (each with a permanent access) to connect the overhead lines to the underground cables.

All other works not listed above would be consistent with either alternative.

In other words, the Waveney Valley Alternative, if taken forward and based on the 2024 preferred draft alignment would comprise approximately 2 km less new 400 kV overhead line and approximately an additional 2 km of 400kV underground cabling and two additional new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables.

Third party utilities diversions and / or modifications would also be required to facilitate the construction of the Project. There would also be land required for mitigation, compensation and enhancement of the environment including Biodiversity Net Gain.

As well as the permanent infrastructure, land would also be required temporarily for construction activities including, for example, working areas for construction equipment and machinery, site offices, welfare, storage and temporary construction access.

Norwich to Tilbury will play a vital role in delivering electricity efficiently, reliably, and safely and will support the UK's move to reduce carbon emissions and we are committed to working with local communities as we develop our plans.

National Grid expects the Project to be classified as a Nationally Significant Infrastructure Project ("NSIP") and to require consent from the Secretary of State for Energy Security & Net Zero via a Development Consent Order ("DCO"). The development consent being sought will include a number of other provisions, including those which authorise the compulsory acquisition of land and rights over land, if necessary, to construct and maintain the Project.

## Statutory consultation

The Project is an Environmental Impact Assessment ("EIA") development, as defined by the EIA Regulations. As part of the consultation, we are seeking views on the potential environmental effects of the proposals and if consultees have suggestions for reducing these effects (for example, through mitigation measures). This information is detailed in the Preliminary Environmental Information Report ("PEIR"). An Environmental Statement will be prepared subsequently in accordance with the EIA Regulations and will accompany the application for development consent.

The Project is currently in the pre-application stage of the DCO application process. As such, the Project is consulting on its proposals between **12:00 noon on Wednesday 10 April and 11:59pm on Tuesday 18 June 2024**, including with those consultees prescribed under Section 42 of the Act.

## Consultation Documents

We are contacting you because you are a prescribed consultee under Section 42(1) of the Act and in accordance with Schedule 1 of the APFP Regulations. This is therefore a formal notice that we are holding a statutory consultation under the Act.

The Project is an "EIA development" for the purposes of the EIA Regulations. As required by Regulation 13 of the EIA Regulations, we also attach a copy of the newspaper notice which is being published in accordance with Section 48 of the Act.

National Grid (as required by the Act) has prepared a Statement of Community Consultation ("SoCC") which sets out how National Grid will undertake the statutory consultation for the proposed application with those people living and working in the vicinity of the Project. The SoCC is available to view on the Project website: <http://www.nationalgrid.com/n-t> and at the inspection points listed further down in this email.

A copy of the full suite of consultation documents is available to view on the Project website from **12:00 noon on Wednesday 10 April 2024 until 11:59pm on Tuesday 18 June 2024**.

These include:

- Project Background Document
- Feedback questionnaire

- Copy of the newspaper notice published under Section 48 of the Act (as the Project is 'EIA Development' for the purposes of the EIA Regulations and as required by Regulation 4 of the APFP Regulations)
- Preliminary Environmental Information Report ("PEIR") and non-technical summary ("NTS") of the PEIR
- Project maps/Project area maps showing the extent of the Project
- Statement of Community Consultation ("SoCC").

Copies of consultation materials and documents can be provided on request by contacting us either by email at [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or by telephone on 0800 915 2497.

## Public information events

During the consultation period a series of face-to-face public information events will be held where you can speak with the Project team.

You can attend any of our events to meet the Project team, ask questions and view more details of the Project:

Date and time	Venue
Wednesday 24 April 2024 12pm-5pm	Towngate Theatre, St Martin's Square, Basildon, Essex SS14 1DL
Thursday 25 April 2024 2pm-7pm	The Brentwood Centre, Doddinghurst Road, Pilgrims Hatch, Brentwood, CM15 9NN
Saturday 27 April 2024 11am-4pm	Chelmsford City Racecourse, Chelmsford, CM3 1QP
Tuesday 30 April 2024 12pm-5pm	Gislingham Village Hall, Mill Street, Gislingham, IP23 8JT
Wednesday 1 May 2024 11am-4pm	Copdock Village Hall, Old London Road, Copdock, IP8 3JN
Friday 3 May 2024 1pm-6pm	Needham Market Community Centre, School St, Needham Market, Ipswich IP6 8BB
Saturday 4 May 2024 11am-4pm	Lawford Venture Centre 2000, Bromley Road, Lawford, Manningtree CO11 2JE
Wednesday 8 May 2pm-7pm	The Civic Hall, Blackshots Lane, Grays, RM16 2JU
Thursday 9 May 2024 1pm-6pm	Thorpe Hall, Ashwell Thorpe and Fundenhall Community Centre, Muskett Road, Ashwellthorpe, NR16 1FD
Friday 10 May 2024 1pm-6pm	Tibenham Community Hall, Pristow Green Lane, Tibenham, Norwich NR16 1PX
Tuesday 14 May 2024 11am-4pm	Witham Public Hall, Collingwood Road, Witham, CM8 2DY
Wednesday 15 May 2024 1pm-6pm	Diss Town Football Club, Diss, IP22 4QP
Thursday 16 May 2024 2pm-7pm	Langham Community Centre, School Road, Langham, Colchester, CO4 5PA
Friday 17 May 2024 1pm-6pm	Great Bromley Village Hall, Parsons Hill, Great Bromley, Colchester, CO7 7JA

Printed copies of the consultation materials will be made available at information events for attendees to review. Attendees will also be able to take away copies of the Project Background Document and Feedback questionnaire.

In addition to being available online, the Community Newsletter, Project Background Document, non-technical summary (“NTS”) of the Preliminary Environmental Information Report (“PEIR”), Statement of Community Consultation (“SoCC”) and Feedback questionnaire will be available to view free of charge at the following inspection points in the vicinity of the project throughout the consultation period:

Stanway Library	10 Villa Road Stanway CO3 0RH	Monday - Closed Tuesday - 2pm-7pm Wednesday - Closed Thursday - 9am-1pm Friday - Closed Saturday - 9am-1pm Sunday - Closed
Prettygate Library	Prettygate Road Colchester CO3 4EQ	Monday - Closed Tuesday - 9am-7pm Wednesday - 9am-5.30pm Thursday - Closed Friday - 9am-5.30pm Saturday - 9am-5pm Sunday - Closed
Wivenhoe Library	104/6 High Street Wivenhoe CO7 9AB	Monday - Closed Tuesday - 2pm-7pm Wednesday - Closed Thursday - 9am-5.30pm Friday - Closed Saturday - 9am-5pm Sunday - Closed

Prior to attending these locations, it is advised opening times are checked.

In addition to the public information events, we will be holding six webinars, where members of the Project team will be available to answer questions. The dates and times of these sessions are as follows:

Date and time	Webinar
Wednesday 17 April 6pm-7pm	Project Overview One*
Wednesday 29 May 6pm-7pm	Section A and B - South Norfolk and Mid Suffolk
Thursday 30 May 6pm-7pm	Section C and D - Babergh, Tendring and Colchester
Wednesday 5 June 6pm-7pm	Section E and F – Braintree and Chelmsford
Thursday 6 June 6pm-7pm	Section G and H – Basildon, Brentwood and Thurrock
Wednesday 12 June 6pm-7pm	Project Overview Two

\* A British Sign Language interpreter will be available.

You can register for a webinar by signing up on our Project website: <http://www.nationalgrid.com/n-t>.

## Responding to the Consultation

Responses to this consultation must be received between **12:00 noon on Wednesday 10 April 2024 and 11:59pm on Tuesday 18 June 2024**.

Responses to this consultation can be submitted online at <http://www.nationalgrid.com/n-t>

Alternatively, you can return a printed copy of the Feedback questionnaire or a free text response via email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or post: **FREEPOST N TO T** (please write this in capitals, you do not need a stamp).

Requests for paper copies of the technical documents will be reviewed on a case by-case basis. To cover printing costs a reasonable copying charge may apply, to be paid for by the recipient and up-to a maximum value of £500 for the whole suite of consultation documents. Please get in touch with us using the details below if you would like a printed or alternative format copy of materials.

Telephone: 0800 915 2497.

Email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com)

Following the close of the consultation all feedback will be collated, reviewed and analysed to understand key themes and concerns. Our proposals will be reviewed and, where practicable, refined in light of feedback.

We may be required to make copies of representations available to the Secretary of State. However, we will request that personal details are not placed on the public record. Personal details will be held securely in accordance with the relevant data protection legislation and will be used solely in connection with the consultation process and the development of this Project and, except as noted above, will not be disclosed to any third parties. National Grid's privacy policy can be found on its website: <https://www.nationalgrid.com/privacy-policy>.

If you have any questions about the Project, please don't hesitate to contact us at the above postal or email address.

We look forward to hearing from you.

Yours faithfully

**Liam Walker**

Project Director

## Consultation Extension

05 June 2024

Dear Sir / Madam

**Statutory Consultation for Norwich to Tilbury: Consultation extended until 11:59pm on Friday 26 July 2024**

**Statutory Consultation for Norwich to Tilbury: 12:00 noon on Wednesday 10 April 2024 until 11:59pm on Friday 26 July 2024**

**Section 42 Planning Act 2008 (as amended): Duty to consult on a proposed application.**

**The Infrastructure Planning (Applications and Prescribed Forms and Procedure) Regulations 2009 (as amended) (the “APFP Regulations”)**

**Notification under Regulation 13 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (as amended) (the “EIA Regulations”)**

National Grid Electricity Transmission plc (“National Grid”) writes in relation to the extension of its statutory consultation in accordance with sections 42, 44, 47 and 48 of the Planning Act 2008 (the “Act”) for the project called Norwich to Tilbury (“the Project”). The consultation started at **12:00 noon on Wednesday 10 April 2024 and will now run until 11:59pm on Friday 26 July 2024**. National Grid is doing this to give the public, their representatives, landowners and stakeholders additional time and opportunity to have their say and provide feedback on our proposals after the forthcoming General Election.

Any feedback already submitted during this consultation remains valid, but if you wish to submit any further feedback, you can do so.

The Project is a proposal by National Grid to upgrade the electricity transmission system in East Anglia between Norwich and Tilbury. The Project includes a new 400 kilovolt (“kV”) electricity transmission connection of approximately 184 kilometres (“km”) in overall length from Norwich Main Substation and Tilbury Substation via Bramford Substation, comprising:

- approximately 159 km of new overhead line supported on approximately 510 steel lattice pylons (approximately 50 metres (“m”) in height) some of which are gantries (typically up to 15 m in height) within proposed Cable Sealing End (“CSE”) compounds, or existing or proposed substations
- approximately 25 km of 400 kV underground cabling some of which is located through the Dedham Vale National Landscape (formerly known as Dedham Vale AONB)
- six new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables
- a new 400 kV East Anglia Connection Node (“EACN”) substation, with a new permanent access, on the Tendring Peninsula. This is proposed to be an Air Insulated Switchgear (“AIS”) substation
- substation extension works at the existing Norwich Main, and Bramford substations and works within the existing Tilbury Substation to connect and support operation of the new transmission connection
- temporary works associated with the construction of the Project.

An alternative design at the Waveney Valley (referred to as the Waveney Valley Alternative) is also being considered and is the subject of consultation and ongoing assessment. This design alternative, if taken forward, would result in changes to those elements of the Project set out below. This would instead comprise:

- installation of approximately 157 km of new 400 kV overhead line.

- installation of approximately 27 km of 400 kV underground cabling (some of which is located through the Dedham Vale National Landscape).
- eight new CSE compounds (each with a permanent access) to connect the overhead lines to the underground cables.

All other works not listed above would be consistent with either alternative.

In other words, the Waveney Valley Alternative, if taken forward and based on the 2024 preferred draft alignment would comprise approximately 2 km less new 400 kV overhead line and approximately an additional 2 km of 400kV underground cabling and two additional new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables.

Third party utilities diversions and / or modifications would also be required to facilitate the construction of the Project. There would also be land required for mitigation, compensation and enhancement of the environment including Biodiversity Net Gain.

As well as the permanent infrastructure, land would also be required temporarily for construction activities including, for example, working areas for construction equipment and machinery, site offices, welfare, storage and temporary construction access.

Norwich to Tilbury will play a vital role in delivering electricity efficiently, reliably, and safely and will support the UK's move to reduce carbon emissions and we are committed to working with local communities as we develop our plans.

National Grid expects the Project to be classified as a Nationally Significant Infrastructure Project ("NSIP") and to require consent from the Secretary of State for Energy Security & Net Zero via a Development Consent Order ("DCO"). The development consent being sought will include a number of other provisions, including those which authorise the compulsory acquisition of land and rights over land, if necessary, to construct and maintain the Project.

## **Statutory consultation**

The Project is an Environmental Impact Assessment ("EIA") development, as defined by the EIA Regulations. As part of the consultation, we are seeking views on the potential environmental effects of the proposals and if consultees have suggestions for reducing these effects (for example, through mitigation measures). This information is detailed in the Preliminary Environmental Information Report ("PEIR"). An Environmental Statement will be prepared subsequently in accordance with the EIA Regulations and will accompany the application for development consent.

The Project is currently in the pre-application stage of the DCO application process. As such, the Project is consulting on its proposals between **12:00 noon on Wednesday 10 April and 11:59pm on Friday 26 July 2024**.

## **Consultation Documents**

We are contacting you because you are a consultee under Section 42(1) of the Act and in accordance with Schedule 1 of the APFP Regulations. This is therefore a formal notice that we are holding a statutory consultation under the Act.

The Project is an "EIA development" for the purposes of the EIA Regulations. As required by Regulation 13 of the EIA Regulations, we also attach a copy of the newspaper notice which is being published in accordance with Section 48 of the Act.

National Grid (as required by the Act) has prepared a Statement of Community Consultation ("SoCC") which sets out how National Grid will undertake the statutory consultation for the proposed application with those people living and working in the vicinity of the Project. The SoCC is available to view on the Project website: <http://www.nationalgrid.com/n-t> and at the inspection points listed further down in this email.

A copy of the full suite of consultation documents is available to view on the Project website from **12:00 noon on Wednesday 10 April 2024 until 11:59pm on Friday 26 July 2024.**

These include:

- Project Background Document
- Feedback questionnaire
- Copy of the newspaper notice published under Section 48 of the Act (as the Project is 'EIA Development' for the purposes of the EIA Regulations and as required by Regulation 4 of the APFP Regulations)
- Preliminary Environmental Information Report ("PEIR") and non-technical summary ("NTS") of the PEIR
- Project maps/Project area maps showing the extent of the Project
- Statement of Community Consultation ("SoCC").

Copies of consultation materials and documents can be provided on request by contacting us either by email at [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or by telephone on 0800 915 2497.

## **Revised webinar timings**

National Grid has rescheduled its five remaining webinar times. These webinars are an opportunity for people to find out more about the Project and ask questions.

The dates and times of these sessions are as follows:

<b>Date and Time</b>	<b>Topic</b>
Wednesday 10 July 2024: 6-7pm	Section A and B South Norfolk and Mid Suffolk
Thursday 11 July 2024: 6-7pm	Section C and D Babergh, Tendring and Colchester
Tuesday 16 July 2024: 6-7pm	Section E and F – Braintree and Chelmsford
Wednesday 17 July 2024: 6-7pm	Section G and H Basildon, Brentwood and Thurrock
Thursday 18 July 2024: 6-7pm	Project Overview Two

A recording of the first Project Overview webinar is also available on our website with accompanying British Sign Language interpretation.

You can register for a webinar by signing up on our Project website: <http://www.nationalgrid.com/n-t>.

## **Responding to the Consultation**

Responses to this consultation must be received between **12:00 noon on Wednesday 10 April 2024 and 11:59pm on Friday 26 July 2024.**

Responses to this consultation can be submitted online at <http://www.nationalgrid.com/n-t>

Alternatively, you can return a printed copy of the Feedback questionnaire or a free text response via email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or post: **FREEPOST N TO T** (please write this in capitals, you do not need a stamp).

Requests for paper copies of the technical documents will be reviewed on a case by-case basis. To cover printing costs a reasonable copying charge may apply, to be paid for by the recipient and up-to a

maximum value of £500 for the whole suite of consultation documents. Please get in touch with us using the details below if you would like a printed or alternative format copy of materials.

Telephone: 0800 915 2497.

Email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com)

Following the close of the consultation all feedback will be collated, reviewed and analysed to understand key themes and concerns. Our proposals will be reviewed and, where practicable, refined in light of feedback.

We may be required to make copies of representations available to the Secretary of State. However, we will request that personal details are not placed on the public record. Personal details will be held securely in accordance with the relevant data protection legislation and will be used solely in connection with the consultation process and the development of this Project and, except as noted above, will not be disclosed to any third parties. National Grid's privacy policy can be found on its website: [www.nationalgrid.com/privacy-policy](http://www.nationalgrid.com/privacy-policy)

If you have any questions about the Project, please don't hesitate to contact us at the above postal or email address.

We look forward to hearing from you.

Yours faithfully

**Liam Walker**

Project Director

## Consultation Launch

**Subject:** FW: Statutory Consultation for the project called Norwich to Tilbury: 12:00 noon on Wednesday 10 April 2024 until 11:59pm on Tuesday 18 June 2024

**Attachments:** Norwich to Tilbury Section 48 Notice FINAL.pdf

---

**From:** Norwich-Tilbury Consents <[Consents.N-T@nationalgrid.com](mailto:Consents.N-T@nationalgrid.com)>

**Sent:** 10 April 2024 12:00

**Subject:** Statutory Consultation for the project called Norwich to Tilbury: 12:00 noon on Wednesday 10 April 2024 until 11:59pm on Tuesday 18 June 2024

Good afternoon,

**Statutory Consultation for the project called Norwich to Tilbury: 12:00 noon on Wednesday 10 April 2024 until 11:59pm on Tuesday 18 June 2024**

**Section 42 Planning Act 2008 (as amended): Duty to consult on a proposed application**

**The Infrastructure Planning (Applications and Prescribed Forms and Procedure) Regulations 2009 (as amended) (the “APFP Regulations”)**

**Notification under Regulation 13 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (as amended) (the “EIA Regulations”)**

National Grid Electricity Transmission plc (“National Grid”) writes in relation to the launch of a statutory consultation in accordance with sections 42, 44, 47 and 48 of the Planning Act 2008 (the “Act”) for the project called Norwich to Tilbury (“the Project”). The consultation starts at **12:00 noon on Wednesday 10 April 2024 and runs until 11:59pm on Tuesday 18 June 2024.**

[The Project](#) is a proposal by National Grid to upgrade the electricity transmission system in East Anglia between Norwich and Tilbury. The Project includes a new 400 kilovolt (“kV”) electricity transmission connection of approximately 184 kilometres (“km”) in overall length from Norwich Main Substation and Tilbury Substation via Bramford Substation, comprising:

- approximately 159 km of new overhead line supported on approximately 510 steel lattice pylons (approximately 50 metres (“m”) in height) some of which are gantries (typically up to 15 m in height) within proposed Cable Sealing End (“CSE”) compounds, or existing or proposed substations
- approximately 25 km of 400 kV underground cabling some of which is located through the Dedham Vale National Landscape (formerly known as Dedham Vale AONB)
- six new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables
- a new 400 kV East Anglia Connection Node (“EACN”) substation, with a new permanent access, on the Tendring Peninsula. This is proposed to be an Air Insulated Switchgear (“AIS”) substation
- substation extension works at the existing Norwich Main, and Bramford substations and works within the existing Tilbury Substation to connect and support operation of the new transmission connection
- temporary works associated with construction of the Project.

An alternative design at the Waveney Valley (referred to as the Waveney Valley Alternative) is also being considered and is the subject of consultation and ongoing assessment. This design alternative, if taken forward, would result in changes those elements of the Project set out below. This would instead comprise:

- installation of approximately 157 km of new 400 kV overhead line.
- installation of approximately 27 km of 400 kV underground cabling (some of which is located through the Dedham Vale National Landscape).
- eight new CSE compounds (each with a permanent access) to connect the overhead lines to the underground cables.

All other works not listed above would be consistent with either alternative.

In other words, the Waveney Valley Alternative, if taken forward and based on the 2024 preferred draft alignment would comprise approximately 2 km less new 400 kV overhead line and approximately an additional 2 km of 400kV underground cabling and two additional new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables.

Third party utilities diversions and / or modifications would also be required to facilitate the construction of the Project. There would also be land required for mitigation, compensation and enhancement of the environment including Biodiversity Net Gain.

As well as the permanent infrastructure, land would also be required temporarily for construction activities including, for example, working areas for construction equipment and machinery, site offices, welfare, storage and temporary construction access.

Norwich to Tilbury will play a vital role in delivering electricity efficiently, reliably, and safely and will support the UK's move to reduce carbon emissions and we are committed to working with local communities as we develop our plans.

National Grid expects the Project to be classified as a Nationally Significant Infrastructure Project ("NSIP") and to require consent from the Secretary of State for Energy Security & Net Zero via a Development Consent Order ("DCO"). The development consent being sought will include a number of other provisions, including those which authorise the compulsory acquisition of land and rights over land, if necessary, to construct and maintain the Project.

### **Statutory consultation**

The Project is an Environmental Impact Assessment ("EIA") development, as defined by the EIA Regulations. As part of the consultation, we are seeking views on the potential environmental effects of the proposals and if consultees have suggestions for reducing these effects (for example, through mitigation measures). This information is detailed in the Preliminary Environmental Information Report ("PEIR"). An Environmental Statement will be prepared subsequently in accordance with the EIA Regulations and will accompany the application for development consent.

The Project is currently in the pre-application stage of the DCO application process. As such, the Project is consulting on its proposals between **12:00 noon on Wednesday 10 April and 11:59pm on Tuesday 18 June 2024**, including with those consultees prescribed under Section 42 of the Act.

### **Consultation Documents**

We are contacting you because you are a prescribed consultee under Section 42(1) of the Act and in accordance with Schedule 1 of the APFP Regulations. This is therefore a formal notice that we are holding a statutory consultation under the Act. As such, you will also have received a written copy of this letter through the post, which enclosed:

- a copy of the Community Newsletter 2024 (also attached to this email)
- a Feedback questionnaire (also attached to this email); and
- a freepost envelope.

The Project is an “EIA development” for the purposes of the EIA Regulations. As required by Regulation 13 of the EIA Regulations, we also enclose a copy of the newspaper notice which is being published in accordance with Section 48 of the Act.

National Grid (as required by the Act) has prepared a Statement of Community Consultation (“SoCC”) which sets out how National Grid will undertake the statutory consultation for the proposed application with those people living and working in the vicinity of the Project. The SoCC is available to view on the Project website: <http://www.nationalgrid.com/n-t> and at the inspection points listed further down in this email.

A copy of the full suite of consultation documents is available to view on the Project website from **12:00 noon on Wednesday 10 April 2024 until 11:59pm on Tuesday 18 June 2024**.

These include:

- [Project Background Document](#)
- [Feedback questionnaire](#)
- [Copy of the newspaper notice published under Section 48 of the Act](#) (as the Project is ‘EIA Development’ for the purposes of the EIA Regulations and as required by Regulation 4 of the APFP Regulations)
- [Preliminary Environmental Information Report \(“PEIR”\)](#) and [non-technical summary \(“NTS”\)](#) of the PEIR
- [Project maps/Project area maps](#) showing the extent of the Project
- [Statement of Community Consultation](#) (“SoCC”).

Copies of consultation materials and documents can be provided on request by contacting us either by email at [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or by telephone on 0800 915 2497.

### Public information events

During the consultation period a series of face-to-face public information events will be held where you can speak with the Project team.

You can attend any of our events to meet the Project team, ask questions and view more details of the Project:

Date and time	Venue
Wednesday 24 April 2024 12pm-5pm	Towngate Theatre, St Martin's Square, Basildon, Essex SS14 1DL
Thursday 25 April 2024 2pm-7pm	The Brentwood Centre, Doddinghurst Road, Pilgrims Hatch, Brentwood, CM15 9NN
Saturday 27 April 2024 11am-4pm	Chelmsford City Racecourse, Chelmsford, CM3 1QP
Tuesday 30 April 2024 12pm-5pm	Gislingham Village Hall, Mill Street, Gislingham, IP23 8JT
Wednesday 1 May 2024 11am-4pm	Copdock Village Hall, Old London Road, Copdock, IP8 3JN
Friday 3 May 2024 1pm-6pm	Needham Market Community Centre, School St, Needham Market, Ipswich IP6 8BB
Saturday 4 May 2024 11am-4pm	Lawford Venture Centre 2000, Bromley Road, Lawford, Manningtree CO11 2JE
Wednesday 8 May 2pm-7pm	The Civic Hall, Blackshots Lane, Grays, RM16 2JU
Thursday 9 May 2024 1pm-6pm	Thorpe Hall, Ashwell Thorpe and Fundenhall Community Centre, Muskett Road, Ashwellthorpe, NR16 1FD

Friday 10 May 2024 1pm-6pm	Tibenham Community Hall, Pristow Green Lane, Tibenham, Norwich NR16 1PX
Tuesday 14 May 2024 11am-4pm	Witham Public Hall, Collingwood Road, Witham, CM8 2DY
Wednesday 15 May 2024 1pm-6pm	Diss Town Football Club, Diss, IP22 4QP
Thursday 16 May 2024 2pm-7pm	Langham Community Centre, School Road, Langham, Colchester, CO4 5PA
Friday 17 May 2024 1pm-6pm	Great Bromley Village Hall, Parsons Hill, Great Bromley, Colchester, CO7 7JA

Printed copies of the consultation materials will be made available at information events for attendees to review. Attendees will also be able to take away copies of the Project Background Document and Feedback questionnaire.

In addition to being available online, the Community Newsletter, Project Background Document, non-technical summary ("NTS") of the Preliminary Environmental Information Report ("PEIR"), Statement of Community Consultation ("SoCC") and Feedback questionnaire will be available to view free of charge at the following inspection points in the vicinity of the project throughout the consultation period:

Location	Address	Opening hours
Long Stratton Library	The Street Long Stratton NR15 2XJ	Monday - 11am-7pm Tuesdays - 1pm-7pm Wednesday - 8am-7pm (unstaffed) Thursday - 1pm-7pm Friday - 8am-7pm (unstaffed) Saturday - 11am-4pm Sunday - 10am-4pm (unstaffed).
Norwich Library	Unit 3 The Forum Millenium Plain Norwich NR2 1AW	Monday - Friday - 10am-7pm Saturday - 9am-5pm
Tuckswood Library	Robin Hood Road Eaton NR4 6BX	Monday - 8am – 7pm (unstaffed) Tuesday - 11am-7pm Wednesday - 8am-7pm (unstaffed) Thursday - 8am-7pm (unstaffed) Friday - 11am-7pm Saturday - 10am-4pm Sunday - 10am-4pm (unstaffed).
Diss Library	Church Street Diss IP22 4DD	Monday - 10am-7pm Tuesday - 8am-7pm Wednesday - 10am-7pm Thursday - 10am-7pm Friday - 10am-7pm Saturday - 10am-7pm Sunday - 10am-4pm
Stowmarket Library	Milton Road Stowmarket IP14 1EX	Monday - Closed Tuesday - 8.30am-6.45pm Wednesday - 8.30am-5.45pm Thursday - 8.30am-5.45pm Friday - 8.30am-6.30pm Saturday - 8.30am-4pm Sunday - 10am-4pm.

Capel St Mary Library	Village Hall The Street Capel St Mary IP9 2EF	Monday - Closed Tuesday - 9am-12.30pm, 2pm-5.30pm Wednesday and Thursday - 9am-12.30pm Friday - 2pm-5.30pm Saturday - 9am-3pm Sunday - 10am-3pm.
Coggeshall Library	The Friends Meeting House Stoneham Street Coggeshall CO6 1UH	Monday - Closed Tuesday - 2pm-5.30pm Wednesday - Closed Thursday - 9am-5.30pm Friday - Closed Saturday - 9am-5pm Sunday - Closed.
Chelmsford Library	Market Road Chelmsford CM1 1QH	Monday - 9am-5.30pm Tuesday - 9am-5.30pm Wednesday - 9am-5.30pm Thursday - 9am-7pm Friday - 9am-5.30pm Saturday - 9am-5pm Sunday - 10.30am-1.30pm

	Saturday - 9am-5pm Sunday - Closed
--	---------------------------------------

Prior to attending these locations, it is advised opening times are checked.

In addition to the public information events, we will be holding six webinars, where members of the Project team will be available to answer questions. The dates and times of these sessions are as follows:

Date and time	Webinar
Wednesday 17 April 6pm-7pm	Project Overview One*
Wednesday 29 May 6pm-7pm	Section A and B - South Norfolk and Mid Suffolk
Thursday 30 May 6pm-7pm	Section C and D - Babergh, Tendring and Colchester
Wednesday 5 June 6pm-7pm	Section E and F – Braintree and Chelmsford
Thursday 6 June 6pm-7pm	Section G and H – Basildon, Brentwood and Thurrock
Wednesday 12 June 6pm-7pm	Project Overview Two

\* A British Sign Language interpreter will be available.

You can register for a webinar by signing up on our Project website: <http://www.nationalgrid.com/n-t>.

### Responding to the Consultation

Responses to this consultation must be received between **12:00 noon on Wednesday 10 April 2024 and 11:59pm on Tuesday 18 June 2024**.

Responses to this consultation can be submitted online at <http://www.nationalgrid.com/n-t>

Alternatively, you can return a printed copy of the Feedback questionnaire or a free text response via email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or post: **FREEPOST N TO T** (please write this in capitals, you do not need a stamp).

Requests for paper copies of the technical documents will be reviewed on a case by-case basis. To cover printing costs a reasonable copying charge may apply, to be paid for by the recipient and up-to a maximum value of £500 for the whole suite of consultation documents. Please get in touch with us using the details below if you would like a printed or alternative format copy of materials.

- Telephone: 0800 915 2497.
- Email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com)

Following the close of the consultation all feedback will be collated, reviewed and analysed to understand key themes and concerns. Our proposals will be reviewed and, where practicable, refined in light of feedback.

We may be required to make copies of representations available to the Secretary of State. However, we will request that personal details are not placed on the public record. Personal details will be held securely in accordance with the relevant data protection legislation and will be used solely in connection with the consultation process and the development of this Project and, except as noted above, will not be disclosed to any third parties. National Grid's privacy policy can be found on its website: <https://www.nationalgrid.com/privacy-policy>.

If you have any questions about the Project, please don't hesitate to contact us at the above postal or email address.

We look forward to hearing from you.

Yours faithfully

**Liam Walker**  
Project Director

## Consultation Extension

**Subject:** FW: Statutory Consultation for Norwich to Tilbury: Consultation extended until 11:59pm on Friday 26 July 2024

**Attachments:** Norwich to Tilbury Section 48 Notice (extension).pdf

---

**From:** Norwich-Tilbury Consents <[Consents.N-T@nationalgrid.com](mailto:Consents.N-T@nationalgrid.com)>  
**Sent:** 05 June 2024 11:08  
**To:** Norwich-Tilbury Consents <[Consents.N-T@nationalgrid.com](mailto:Consents.N-T@nationalgrid.com)>  
**Subject:** Statutory Consultation for Norwich to Tilbury: Consultation extended until 11:59pm on Friday 26 July 2024

Good morning,

**Statutory Consultation for Norwich to Tilbury: Consultation extended until 11:59pm on Friday 26 July 2024**

**Statutory Consultation for Norwich to Tilbury: 12:00 noon on Wednesday 10 April 2024 until 11:59pm on Friday 26 July 2024**

**Section 42 Planning Act 2008 (as amended): Duty to consult on a proposed application.**

**The Infrastructure Planning (Applications and Prescribed Forms and Procedure) Regulations 2009 (as amended) (the “APFP Regulations”)**

**Notification under Regulation 13 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (as amended) (the “EIA Regulations”)**

National Grid Electricity Transmission plc (“National Grid”) writes in relation to the extension of its statutory consultation in accordance with sections 42, 44, 47 and 48 of the Planning Act 2008 (the “Act”) for the project called Norwich to Tilbury (“the Project”). The consultation started at **12:00 noon on Wednesday 10 April 2024 and will now run until 11:59pm on Friday 26 July 2024**. National Grid is doing this to give the public, their representatives, landowners and stakeholders additional time and opportunity to have their say and provide feedback on our proposals after the forthcoming General Election.

Any feedback already submitted during this consultation remains valid, but if you wish to submit any further feedback, you can do so.

The Project is a proposal by National Grid to upgrade the electricity transmission system in East Anglia between Norwich and Tilbury. The Project includes a new 400 kilovolt (“kV”) electricity transmission connection of approximately 184 kilometres (“km”) in overall length from Norwich Main Substation and Tilbury Substation via Bramford Substation, comprising:

- approximately 159 km of new overhead line supported on approximately 510 steel lattice pylons (approximately 50 metres (“m”) in height) some of which are gantries (typically up to 15 m in height) within proposed Cable Sealing End (“CSE”) compounds, or existing or proposed substations
- approximately 25 km of 400 kV underground cabling some of which is located through the Dedham Vale National Landscape (formerly known as Dedham Vale AONB)

- six new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables
- a new 400 kV East Anglia Connection Node (“EACN”) substation, with a new permanent access, on the Tendring Peninsula. This is proposed to be an Air Insulated Switchgear (“AIS”) substation
- substation extension works at the existing Norwich Main, and Bramford substations and works within the existing Tilbury Substation to connect and support operation of the new transmission connection
- temporary works associated with the construction of the Project.

An alternative design at the Waveney Valley (referred to as the Waveney Valley Alternative) is also being considered and is the subject of consultation and ongoing assessment. This design alternative, if taken forward, would result in changes to those elements of the Project set out below. This would instead comprise:

- installation of approximately 157 km of new 400 kV overhead line.
- installation of approximately 27 km of 400 kV underground cabling (some of which is located through the Dedham Vale National Landscape).
- eight new CSE compounds (each with a permanent access) to connect the overhead lines to the underground cables.

All other works not listed above would be consistent with either alternative.

In other words, the Waveney Valley Alternative, if taken forward and based on the 2024 preferred draft alignment would comprise approximately 2 km less new 400 kV overhead line and approximately an additional 2 km of 400kV underground cabling and two additional new CSE compounds, each with a permanent access, to connect the overhead lines to the underground cables.

Third party utilities diversions and / or modifications would also be required to facilitate the construction of the Project. There would also be land required for mitigation, compensation and enhancement of the environment including Biodiversity Net Gain.

As well as the permanent infrastructure, land would also be required temporarily for construction activities including, for example, working areas for construction equipment and machinery, site offices, welfare, storage and temporary construction access.

Norwich to Tilbury will play a vital role in delivering electricity efficiently, reliably, and safely and will support the UK’s move to reduce carbon emissions and we are committed to working with local communities as we develop our plans.

National Grid expects the Project to be classified as a Nationally Significant Infrastructure Project (“NSIP”) and to require consent from the Secretary of State for Energy Security & Net Zero via a Development Consent Order (“DCO”). The development consent being sought will include a number of other provisions, including those which authorise the compulsory acquisition of land and rights over land, if necessary, to construct and maintain the Project.

### **Statutory consultation**

The Project is an Environmental Impact Assessment (“EIA”) development, as defined by the EIA Regulations. As part of the consultation, we are seeking views on the potential environmental effects of the proposals and if consultees have suggestions for reducing these effects (for example, through mitigation measures). This information is detailed in the Preliminary Environmental Information Report (“PEIR”). An Environmental Statement will be prepared subsequently in accordance with the EIA Regulations and will accompany the application for development consent.

The Project is currently in the pre-application stage of the DCO application process. As such, the Project is consulting on its proposals between **12:00 noon on Wednesday 10 April and 11:59pm on Friday 26 July 2024.**

### Consultation Documents

We are contacting you because you are a consultee under Section 42(1) of the Act and in accordance with Schedule 1 of the APFP Regulations. This is therefore a formal notice that we are holding a statutory consultation under the Act.

The Project is an “EIA development” for the purposes of the EIA Regulations. As required by Regulation 13 of the EIA Regulations, we also attach a copy of the newspaper notice which is being published in accordance with Section 48 of the Act.

National Grid (as required by the Act) has prepared a Statement of Community Consultation (“SoCC”) which sets out how National Grid will undertake the statutory consultation for the proposed application with those people living and working in the vicinity of the Project. The SoCC is available to view on the Project website: <http://www.nationalgrid.com/n-t> and at the inspection points listed further down in this email.

A copy of the full suite of consultation documents is available to view on the Project website from **12:00 noon on Wednesday 10 April 2024 until 11:59pm on Friday 26 July 2024**

These include:

- Project Background Document
- Feedback questionnaire
- Copy of the newspaper notice published under Section 48 of the Act (as the Project is ‘EIA Development’ for the purposes of the EIA Regulations and as required by Regulation 4 of the APFP Regulations)
- Preliminary Environmental Information Report (“PEIR”) and non-technical summary (“NTS”) of the PEIR
- Project maps/Project area maps showing the extent of the Project
- Statement of Community Consultation (“SoCC”).

Copies of consultation materials and documents can be provided on request by contacting us either by email at [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or by telephone on 0800 915 2497.

### Revised webinar timings

National Grid has moved its five remaining webinar times to accommodate the General Election. These webinars are an opportunity for people to find out more about the Project and ask questions.

The dates and times of these revised sessions are as follows:

Date and Time	Topic
Wednesday 10 July 2024: 6-7pm	Section A and B South Norfolk and Mid Suffolk
Thursday 11 July 2024: 6-7pm	Section C and D Babergh, Tendring and Colchester
Tuesday 16 July 2024: 6-7pm	Section E and F – Braintree and Chelmsford
Wednesday 17 July 2024: 6-7pm	Section G and H Basildon, Brentwood and Thurrock
Thursday 18 July 2024: 6-7pm	Project Overview Two

A recording of the first Project Overview webinar is also available on our website with accompanying British Sign Language interpretation.

You can register for a webinar by signing up on our Project website: <http://www.nationalgrid.com/n-t>.

### Responding to the Consultation

Responses to this consultation must be received between **12:00 noon on Wednesday 10 April 2024 and 11:59pm on Friday 26 July 2024**.

Responses to this consultation can be submitted online at <http://www.nationalgrid.com/n-t>

Alternatively, you can return a printed copy of the Feedback questionnaire or a free text response via email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com) or post: FREEPOST N TO T (please write this in capitals, you do not need a stamp).

Requests for paper copies of the technical documents will be reviewed on a case by-case basis. To cover printing costs a reasonable copying charge may apply, to be paid for by the recipient and up-to a maximum value of £500 for the whole suite of consultation documents. Please get in touch with us using the details below if you would like a printed or alternative format copy of materials.

Telephone: 0800 915 2497.

Email: [contact@n-t.nationalgrid.com](mailto:contact@n-t.nationalgrid.com)

Following the close of the consultation all feedback will be collated, reviewed and analysed to understand key themes and concerns. Our proposals will be reviewed and, where practicable, refined in light of feedback.

We may be required to make copies of representations available to the Secretary of State. However, we will request that personal details are not placed on the public record. Personal details will be held securely in accordance with the relevant data protection legislation and will be used solely in connection with the consultation process and the development of this Project and, except as noted above, will not be disclosed to any third parties. National Grid's privacy policy can be found on its website: [www.nationalgrid.com/privacy-policy](http://www.nationalgrid.com/privacy-policy).

If you have any questions about the Project, please don't hesitate to contact us at the above postal or email address.

We look forward to hearing from you.

Yours faithfully

**Liam Walker**
